Walking The Galatian Road:

Walking the Galatian Road Lance Thollander, 2010-06 behind the scenes of this Paul's power-packed letter Wayne Jacobsen Author *He Loves Me and So You Don't Want to Go to Church Anymore* story like narration and floodlight insight John Lindner President World Christian Ministries Editor World Christian Ministries Newsletter Author *God's Special Agents* and *The Mountains Shall Sing* readable and yet profoundly poignant Mark Haskins PhD Darden Graduate School of Business University of Virginia A recent survey of self-identified Christians by noted researcher George Barna yielded this astonishing result fully 81% of those surveyed said that maturity in Christ is measured by how well one keeps the rules But when did keeping the rules become a benchmark of those who follow Christ And how have we traded in the Life-giving power of the Lord Jesus for a set of restrictions In his new book *Walking the Galatian Road: Moving from Law to Life* Lance Thollander peels back the layers of how we got there and shows present-day believers how to leave a life characterized by legalism and guilt and return to the freedom of living by Christ Motivated by forty years of experience including relationships with God's people in many parts of the world Thollander gives examples to show how the incredible vitality and freedom found in Paul's letter to the Galatians has been stolen away from believers Then he returns the readers to the simplicity of life in the Spirit A powerful combination of history and present-day reality in an easy-to-read format this book takes the pressure off worn-out Christians to perform If you are looking for a book that can restore your first love relationship with your Heavenly Father that takes a fearless look at how guilt has operated to short-circuit your faith and that provides frequent invitations for the reader to stop and spend time in the presence of a liberating and loving God then *Walking the Galatian Road: Moving from Law to Life* is the book for you

Walking, The Way DL Newcombe, 2020-10-05 *Walking The Way* is the inspiring true testimony of a man who was obsessed with his own needs and desires for over 35 years A survivor of childhood sexual physical psychological and emotional abuse he became consumed by sin Immorality idolatry pride bitterness hatred anger and drugs and alcohol came incredibly close to destroying his life Then one day everything changed In the time it took to see death coming and not even have the chance to take a breath never mind pray for forgiveness the man was spared Awakened to how close he'd come to losing everything including God he was born again into a new life and a new role as a disciple In His mercy God saved this man delivered him from self-destruction and the surety of hell all through His amazing Grace A testament to the power and work of God the Holy Spirit *Walking the Way* reveals the importance of faith and trust in the only true God of the Bible Learn how forgiveness begins the healing process and how God's Word is truly the only way to renew your mind See how effectual prayer done in awe of the amazing power of God and His love is sustenance for the disciple confirming one's belief while granting the ability and strength to face life's trials with confidence Before it's too late consider your life your thoughts your actions Remember what's at risk separation from Him forever Then ask yourself Am I born of the Spirit

A Commentary on Galatians David Pawson, 2013-07-17 The modern mood is that we do not want to argue about

religion We do not want to quarrel but to be comfortable with each other Galatians is not that kind of a letter Paul argues with other Christians not with unbelievers and his message in the letter has in turn caused many arguments Arguments can be good If Luther had not been willing to get into an argument the Reformation would not have occurred When we come to Galatians we are handling some of the biggest issues of all There are fundamental issues without which you lose the Christian gospel so I am afraid fighting is involved Many of the biggest battles that Christians have to face are inside the church not outside it That is painful Who likes a family that is arguing Whenever the devil attacks the church from the outside the church gets stronger and bigger His attacks are much more successful when they come from the inside and one of the quickest ways to do that is to pervert or corrupt or erode the gospel If he can do that he knows that he has destroyed the church from the inside Legalism and licence are still with us But so is true liberty We must stay and walk with others along the narrow path the wind of the Spirit blowing in our faces and the blessing of God s grace upon us We are free not to sin and free to be bold if we will only walk in the Spirit Galatians is one of the most powerful letters you will ever read

Life-study of Galatians Witness Lee, 2023-09-27 The book of Galatians reveals that in God s economy Christ replaces the law and it is religion versus tradition The churches in Galatia had begun well receiving the Spirit through faith but were now striving to be perfected by the flesh through the law 3 3 The Judaizers had bewitched the Galatians so that they considered the ordinances of the law above the Son of the living God Paul responds by telling the distracted Galatians that Christ gave Himself for our sins that He might rescue us out of the present evil age according to the will of our God and Father 1 4 In this book the current evil age is not the secular world but the religious world in its present manifestation which distracts God s people from the living person of the Son of God This book exposes the inability both of the law and of circumcision showing that the law cannot impart life to regenerate us and that circumcision cannot energize us to live a new creation But the Son of God who has been revealed in us can enliven us to make us a new creation and the Christ who lives in us can afford us the riches of His life to live the new creation The desire of God s heart is not that we would keep the law but that His Son would be revealed in us operate in us live in us and be formed in us that we may know Him receive Him as our life and become the sons of God individually and the household of the faith corporately The book of Galatians unveils that the crucified Christ not the law with its ordinances is the center of God s economy *Galatians (Baker Exegetical Commentary on the New Testament)* Douglas J. Moo, 2013-11-15 In this addition to the award winning BECNT series highly regarded New Testament scholar Douglas Moo offers a substantive yet accessible commentary on Galatians With extensive research and thoughtful chapter by chapter exegesis Moo leads readers through all aspects of the book of Galatians sociological historical and theological to help them better understand its meaning and relevance As with all BECNT volumes this commentary features the author s detailed interaction with the Greek text and an acclaimed user friendly design It admirably achieves the dual aims of the series academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors

church leaders students and teachers **Galatians** Martinus C. de Boer, 2011-07-29 This new commentary in the New Testament Library series is not a systematic study of Pauline theology rather the aim of this study is to trace Paul's theology as it unfolds in his letter to the church at Galatia and to attempt to illuminate as far as possible how the Galatians likely comprehended it at the time they received it The author asks readers to imagine themselves as silent witnesses to Paul's dictation of the letter and to observe through a historical perspective how the Galatian Christians might have understood Paul's words The Epistles of Paul to the Corinthians, Galatians, Ephesians, Philippians, Colossians, Thessalonians, Timothy, Titus and Philemon Abiel Abbot Livermore, 1881 **Critical and Exegetical Hand-book to the Epistle to the Galatians** Heinrich August Wilhelm Meyer, 1884 **Paul's Epistles: Galatians** Witness Lee, 1984 Commentary on the Epistle to the Galatians, and Homilies on the Epistle to the Ephesians, of S. CORINTHIANS GALATIANS AND PHILIPPIANS ALEXANDER MACLAREN, 1909 **The Constructive Quarterly** Silas McBee, 1917 The Road to Emmaus Jim Forest, 2007 In an age of tourism the great challenge is to see ourselves at a deeper level the dimension of pilgrimage Being a pilgrim might involve a journey to distant places associated with God revealing events but it has more to do with simply living day by day in a God attentive way Jim Forest's book assists the reader to see one's life as an opportunity for pilgrimage whether in places as familiar as your living room or walking the pilgrim path to Santiago de Compostela Drawing on the wisdom of the saints and his own wide ranging travels Forest leads us to a range of thin places including Iona Jerusalem the secret annex of Anne Frank the experience of illness the practice of hospitality and other places and occasions where we may find ourselves surprised by grace **Closer Walk New Testament** Zondervan Staff, 1990-11 **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Chrysostom: Homilies on Galatians, Ephesians, Philippians, Colossians, Thessalonians, Timothy, Titus, and Philemon**, 1889 *Closer Walk New Testament* Bruce Wilkinson, Calvin W.
