

The background of the entire cover is a painting of a river or stream winding through a forest. The trees have vibrant autumn foliage in shades of orange, red, and yellow. The water is depicted with soft, blended brushstrokes in shades of grey and blue, reflecting the sky. The overall style is impressionistic and serene.

Laramie Briscoe, 2022-07-25 From USA Today and Wall Street Journal Bestselling author Laramie Briscoe comes the special edition of a fan favorite series Nobody writes blue collar romance like Laramie Briscoe and nowhere is it more apparent than in the Moonshine Task Force Special Edition Series This edition includes a never before released short story as well as all the slices of life scenes and text messages I've written for this couple Life isn't promised love isn't easy and relationships aren't always clean but everyone has their soulmate who is willing to forgive when it would be better to forget Trevor Tank Trumbolt I never thought in the blink of an eye my life could change but it did Cresting a hill driving to my favorite fishing spot I was hit head on by a teenager with no regard for anyone's life but his own The recovery process has been hard painful and damn near beating me down The bright spot Blaze Surviving the wreck has given me a second chance to make a life with her Not knowing if I'll ever be able to rejoin the Moonshine Task Force again has brought my world into focus It's made me realize what's important Blaze Stella My brothers My sister The ego that ran Blaze away before isn't here any longer What's left is a man who's holding his heart in his hands and a burning hope that once I'm healed she'll still be around Daphne Blaze Coleman There's only been one person in the world who's accepted me for who I am from the fiery red of my hair and vibrant tattoos covering parts of my body to the smartness of my mouth and my desire to be matched in the bedroom That man is Trevor Trumbolt When he asked me to give up my job as an EMT because he saw the dangers I face one scary afternoon it spelled the end for us Now that he's been injured he needs my help and my love I'll give it all freely but in the end I'm gonna need him to understand one thing about relationships The give and take love and sadness pleasure and pain is a two way street He's either in this with me or he's not but at the end of the day I won't let him boss me around If there's anything that can handle the steel of a tank it's the heat of a blaze

THE MIRROR OF LITERATURE, AMUSEMENT, AND INSTRUCTION The Mirror of Literature, Amusement, and Instruction New Series VOL. IV, 1843 *The Nameless Woman* Loulia Jackson, 1910 *The Mirror of Literature, Amusement, and Instruction* Thomas Byerley, John Timbs, 1843 Containing original essays historical narratives biographical memoirs sketches of society topographical descriptions novels and tales anecdotes select extracts from new and expensive works the spirit of the public journals discoveries in the arts and sciences useful domestic hints etc etc etc An Alabama Story Daniel Hammarberg, 2012-12-05 An Alabama Story is based on the

accounts a southern man living in Alabama related to the author he will here be referred to as Billy Bob When Hammarberg came across Billy Bob he was able to share in captivating tales of Billy Bob's family life and how he and his family here called the Hix had interacted with their surrounding community When Billy Bob let the author share in his tales he made the author swear that he wouldn't let anyone else hear about them Yet the author decided that these tales were simply too remarkable for the world to be denied them Hence this book was written a compilation of the tales Billy Bob had told the author about a year in the life of the Hix family Hopefully Billy Bob will forgive Hammarberg for breaking his vow and publishing the book Billy Bob insisted that even though many of his tales simply required the suspension of disbelief every single one of them were absolutely true But since the author doesn't want to jeopardize his good name by categorizing this work as non-fiction in the case that some of them turn out not true it sorts under Young Adult Fiction Inside the covers of this book the reader will be treated to anecdotes like these from the Hix family life The time the Hix burglarized a mansion as a family and brought home a hundred grand's worth of loot The time Billy Bob and one of his sons chased all the blacks out of the Birmingham welfare office How Billy Bob managed to prevent his lesbian daughter from marrying a 50 year old woman The story of when Billy Bob ran for mayor of Birmingham How two of the family members became local heroes in the pro wrestling circus During this year the family ran into a number of celebrities as well and these encounters are retold in full detail Hopefully reading the book will bring many hours of enjoyment and perhaps even spark a debate about freedom of speech Speaking of free speech prior to the publication of this novel certain well known voices in American public life demanded that their commentary on the book would be included with its distribution The author had no problems with including them and their messages are listed below Once again the white devil has put his racist sentiments on display for all of us to see Peaceful activists such as myself are doing the best we can to let our nation heal the wounds it's suffered under white supremacist rule then this book comes along and ruins it all A Sharpton This book will singlehandedly set us back at least 50 years in the struggle for women's liberation Not a single woman in this book has a career or works for a living and even worse the family's lesbian daughter is constantly bullied throughout the whole book J Fonda This is an outrage In spite of a lifetime spent fighting for civil rights I'm being scoffed and ridiculed in the pages of this book Us blacks need to picket the Capitol over this J Jackson I fear that after this book has been widely circulated even more young queers than today will make that tragic step into the great beyond by taking their own lives tormented by homophobia Before you buy this book think of the children D Savage I feel that the language and the narrative elements of this book are very racially divisive and that they're entirely inappropriate for 21st century America I'm especially appalled at the disrespectful references to me as a person and I urge you not to buy the book B H Obama For more information go to alabamastory.com *The Publishers' Circular and Booksellers' Record of British and Foreign Literature*, 1895 **Styles in Short Story Writing in the Atlantic Monthly 1929 to 1939** Anita Louise Walter, 1940 *Publishers' Circular and Booksellers' Record of British and Foreign*
