Walking Jesus Experience Heart Bible:

Money in the Bible, Nesara, the Federal Reserve Bill Stone, 2022-04-15 We're going to talk about NESARA with you today Corruption and the Federal Reserve So you've undoubtedly seen some of my work before No we have a complete money list for you to review Because I enjoy performing that portion you can look at the gold back standard Nesara and the Bible When it comes to the Federal Reserve the majority of people have never heard of it Whoa whoa whoa whoa whoa whoa whoa whoa whoa whoa who People are taught and the majority of people are taught that money is uninteresting It is not something I study That's something I delegated to my financial planner I could also hire a banker to do it for me Isn't the bank aware of this I recall transferring our accounts to a new bank I had a bank vice president come in and ask me a lot of questions about this And we've had a lot of conversations And the person next to her was having a hard time He responds Yeah but doesn't the Federal Reserve handle the money He didn't have adequate information on the subject Now the reality of what's to come as NESARA will explain in a minute However when that time arrives you'll need to alter your money related cognitive process So let's take a look at the Federal Reserve's history So guy 1912 April 1912 is a fascinating period for purchasing I've been a Christian for a long time but I recall doing a lot of research because I had dyslexia and learning was difficult for me I put in a lot of effort And I began reading when I was a teenager Before that I hadn't read much at all I mean just a smidgeon but not much But I was getting into end of the world scenarios But I was also studying a variety of other subjects There were numerous elites in the past and there are still many today They're multi-billionaires What's more intriguing is that they were opposed to the Federal Reserve And we'll get to that in a minute The majority of them were anti-Federal Reserve Now this is a central bank so you should know a little about history In 1775 we as Americans threw over the tea in the Boston Tea Party because we were being taxed We despised the concept of a world without representation By the way we all despise that concept And we despised the Stamp Act and all the other attempts by the crown to dictate to the colonies what they could and could not do as well as what they would take from them Through the Bible Zac

Poonen,2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting

and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God s Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word

The Branch Exposition of the Bible, Volume 1 Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to
