Walking The Boundaries Jackie French, 2016-04-01 French knows how to conjure an imagined past full of detail about how people lived during particular periods and within particular cultures Viewpoint Martin lives in the city with his mum He s come to walk the boundaries of the farm that s been in his family for generations It sounds easy especially as he ll own the land when he gets back Martin s great grandfather Ted doesn t even want him to walk around the farm s fences just up the gorge and along the hills But up in the gorge Martin meets Meg from almost a century ago and Wullamudulla from thousands of years in the past Despite their differences they discover that they re all on the same journey and that walking the boundaries means more than following lines on a map
