comprehensive coverage of topics and the distinguished specialists who have shared their key findings with us Philip Kotler
Kellogg School of Management When trying to make sense of the mystifying world of advertising academics and practitioners
often seem to inhabit separate universes Not in this Handbook For once the best brains from each side genuinely collude
with constructive results Wise agencies will read it before their clients do Sir Martin Sorrell CEO WPP This mighty tome
brings together a vast range of views of advertising based on deep experience and scholarship For practitioners and
academics alike it will be a voyage of discovery and enlightenment Lord Maurice Saatchi Chairman M C Saatchi This
magnificent volume captures all we need to know about how advertising works and its context Baroness Peta Buscombe
Director General Advertising Association London Advertising is a field that has attracted a great deal of academic attention
but to date there has been no summarising of the state of the art of research This far reaching and scholarly Handbook is
edited by two highly respected and trusted thinkers in the field and includes contributions from leading academics based in
both the UK and the USA Tim Ambler and Gerald J Tellis archive their aim of setting advertising and the theory that
underpins it in its historical and societal context show casing the most significant advertising research questions of our time
