

What does 'rich' mean to you? Perhaps a huge mansion and an overseas holiday every year? A wardrobe and entourage to rival Victoria Beckham's? Or maybe a simple, comfortable house, no debt and a healthy investment portfolio?

However you define it, **\$0 to Rich** will guide you towards achieving your financial goals in five easy steps and show you how to turn \$0 into \$1000, then \$5000, then \$10,000!

Written specifically for women by the best-selling author of **Shopping For Shares**, **\$0 to Rich** is the personal financial coach every girl should have. It will show you how to work out what rich means to you, how to calculate exactly what you want, then how to go about realising that vision over a set period of time.

You'll discover:

- how to create a do-fuss budget to fast-track your financial success
- what the right amount to be saving is
- investment options, from savings accounts to property and everything in between
- how to safeguard your money (after all, it's not enough to just get rich — the trick is staying there!).

Tracey Edwards has a degree in arts/journalism from the University of Queensland. She is a full-time investor and has written for **Family Circle** and **Bride To Be**. This is her second book.
