Changing the Game John O'Sullivan, 2020-12-31 A powerful guide for both parents and coaches who want kids to have fun, enjoyable and meaningful youth sporting experiences. I highly recommend it. John Ballantine, president and co-founder of Kids in the Game. The modern day youth sports environment has taken the enjoyment out of athletics for our children. Currently 70% of kids drop out of organized sports by the age of thirteen, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high-performing children and provides a national call to action to return youth sports to our kids. Changing the Game is well a game changer. It explores in both depth and breadth the youth sports experience, its blood, sweat and tears. Any parent who wants their children to gain the physical, psychological, emotional and social benefits of what sport has to offer and isn't that every parent better read this book? It will make you a better sports parent and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports.
