Wading Into Chaos Inside The Life Of A Paramedic:

Wading Into Chaos Bob Holdsworth, 2012 It s raining and the reflections of the red and white lights are dancing off the buildings as we race down the wet streets Sirens are screaming a warning to the very few people who dare to walk the street at night We make a final turn and the scene comes into view There s a lone police car its light bar extinguished so as not to call attention to itself We follow suit and shut our lights and siren off as we approach In the center of the rain soaked street a crowd has gathered A woman is screaming being held up by friends or family A man lies crumpled in the middle of the road next to his wheelchair The cop looks nervous as we roll to a stop and exit the ambulance He s been shot a lot he shouts from about 10 feet away The decibel level immediately increases from the crowd of distraught onlookers We know we re going to have to work quickly to try to save the patient and get away from the scene for our own safety We grab the heart monitor oxygen trauma bag and the stretcher for the fourth time this shift and once again go wading into chaos Paramedics and EMTs are the front line of the world s emergency medical system and serve as eyewitnesses to some of life s most precious and equally most tragic moments Wading Into Chaos written by a veteran paramedic gives you a first hand real life glimpse inside the chaotic world of Emergency Medical Services Ride along and experience the emotions the frustration the sadness and the dark humor that accompanies responding to fatal car crashes 14 year old suicides inner city gang violence train accidents med e vac helicopter landings and the forgotten elderly who just need someone to talk to Bookseller, Newsdealer and Stationer ,1920 **The New Republic** Herbert David Croly,1925 **Hardtack and Coffee; Or, The Unwritten Story of Army Life** John Davis Billings,1887 **Editor & Publisher** ,1921 The fourth estate **Army and Navy Register** ,1916 **Hardtack and Coffee** John Davis Billings,1888 Anecdotes of a soldier richly illustrated including facsimilies of enlistment forms etc Details all aspects of army operations and the life of soldiers of the era **The Gettysburg Companion** Mark Adkin,2008 Providing an extensive documentation of the most infamous chapter of the American Civil War this magisterial resource has been acclaimed as the most comprehensive and definitive work on the battle of Gettysburg After a prologue describing the Union defeat at Chancellorsville and the death of the Confederates greatest general Stonewall Jackson this essential guide continues with the orders of battle detailing diagrammatic form unit strengths commanders down to regimental and battery level and casualties for all of the units engaged From detailing the military and political command and control on both sides the campaign leading up to the battle the actual engagement and decisive highlights such as the defense of Little Round Top and Pickett s Charge this remarkable resource is a superbly illustrated and well researched presentation that will engage and inform those intrigued by one of the most pivotal and revolutionary events in American history Municipal Journal ,1895 Take Dead Aim Don Wade,2002 During the final round of the LA Open the caddie of the No 1 golfer in the world is shot and killed by a sniper Was the intended target the British superstar Peter Brookes Or actually the young black up and coming phenom Dexter Bradley standing nearby When
