Waiting for Lightning to Strike Kevin Alexander Gray, 2008 A strong voice emerging from the Black Left **Women's Rights in the United States** Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights Racial Profiling Noël Merino, 2014-12-22 The writings in this anthology have been selected to introduce your readers to a wide array of viewpoints on the use of racial profiling in law enforcement Written by foremost authorities in the field these essays express leading liberal conservative and centrist views Each chapter asks a relevant question about the topic and the viewpoints that follow are grouped into yes and no categories Questions debated in this book are whether racial profiling is a problem whether Arab Muslims should be profiled in the War on Terror what the causes and consequences of racial profiling are and what should be done about it

Follow the Money Dennis J. Bernstein, 2018-01-10 If we follow the money we find the root of the rot These 66 colorful radio interviews all during the Obama administration are the writing on the wall that foreshadowed a Trump presidency This invaluable resource gives hope as we address our world's myriad challenges Back cover **African Canadian Leadership** Erica S. Lawson, Philip S.S. Howard, 2019-08-25 Challenging the myth of African Canadian leadership in crisis this book opens a broad vista of inquiry into the many and dynamic ways leadership practices occur in Black Canadian communities Exploring topics including Black women's contributions to African Canadian communities the Black Lives Matter movement Black LGBTQ HIV AIDS advocacy motherhood and grieving mentoring and anti racism contributors appraise the complex history and contemporary reality of blackness and leadership in Canada With Canada as a complex site of Black diasporas contributors offer an account of multiple forms of leadership and suggest that through surveillance and disruption practices of self determined Black leadership are incompatible with and threatening to White structures of power in Canada As a whole African Canadian Leadership offers perspectives that are complex non aligned and in critical conversation about class gender sexuality and the politics of African Canadian communities Concordance Katherine Tate, 2020-08-24 During the height of the civil rights movement Blacks were among the most liberal Americans Since the 1970s however increasing representation in national state and local government has brought about a more centrist outlook among Black political leaders Focusing on

the Congressional Black Caucus CBC Katherine Tate studies the ways in which the nation's most prominent group of Black legislators has developed politically Organized in 1971 the CBC set out to increase the influence of Black legislators Indeed over the past four decades they have made progress toward the goal of becoming recognized players within Congress And yet Tate argues their incorporation is transforming their policy preferences Since the Clinton Administration CBC members the majority of whom are Democrats have been less willing to oppose openly congressional party leaders and both Republican and Democratic presidents Tate documents this transformation with a statistical analysis of Black roll call votes using the important Poole Rosenthal scores from 1977 to 2010 While growing partisanship has affected Congress as a whole not just minority caucuses Tate warns that incorporation may mute the independent voice of Black political leaders
