Christian's Guide to Holistic Health David Sandstrom ND, 2019-02-28 Perhaps you've seen several doctors and not found a solution to your health challenges. Now you're ready to take greater responsibility for your health and you're looking for some answers. The trouble is embracing a natural and holistic lifestyle can be rewarding and overwhelming at the same time. There's plenty of information out there, but whom do you trust? Many experts claim to be holistic. However, when it comes to matters of the mind and the spirit, most resources come up short. Using Biblical truths, *The Christian's Guide to Holistic Health* helps you navigate the complexities of whole person health. A genuinely holistic health model addresses not only the physical but the mental, emotional, and the spiritual aspects of the human condition. If we want to reach our full health potential, we must address the whole person: body, mind, and spirit effectively. David uses his gift for teaching and brings a balanced view of science and scripture. He avoids extremes in theology, tackles complicated subjects, and makes them easy to read and understand. Whether you have a serious condition and need a breakthrough or simply want to maintain your health, you'll find this information useful. This book puts you on the fast track to vibrant health and vitality. *The Ransomed Heart* John Eldredge, 2005-10-02 For millions of people, reading the writings of John Eldredge has been a deep and profound experience, generating a hunger to integrate his ideas and insights into their daily lives.
