Waking Up to the Dark Clark Strand, 2022-09-06 2022 Foreword INDIES Award Winner Silver Body Mind Spirit 2023 IPPY Award Winner Bronze New Age Mind Body Spirit Hidden in the darkness is an ancient secret suppressed by every aspect of our light drunk modern world there is a Great Mother from the bottom of time who has always guided us through perils and calamities Now is the hour of Her return An exigent affecting summons to rediscover the night Kirkus Reviews Is darkness synonymous with ignorance and evil Or is it the original matrix from which all life emerges and the Mother to whom it returns Higher and higher levels of artificial illumination have suppressed our contact with the numinous since the Industrial Revolution with dire consequences for society our planetary ecology and our souls This mystical testament weaves together paleobiology memoir history science and spiritual archaeology to lead readers back into the lost mysteries of the dark Not since The Teachings of Don Juan or Ishmael has a book diagnosed with such urgency and cultural coherence the problems at the heart of modern life In Waking Up to the Dark Clark Strand offers penetrating insight into the spiritual enrichment that can be found when we pull the plug on our billion watt culture He argues that the insomnia so many of us experience as the Hour of the Wolf is really the Hour of God a wellspring of rest and renewal and an ancient reservoir of ancestral wisdom and inspiration And in a powerful yet surprising turn he shares with us an urgent message for the world received through a mysterious young woman he calls Our Lady of Climate Change aka THE VIRGIN MARY about the challenges we all know are coming

Waking Up To The Dark Clark Strand, 2016-02-09 **The Way of the Rose** Clark Strand, Perdita Finn, 2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of Anatomy of the Spirit Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary's prayers and mysteries secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world

A Midwinter God Christine Valters Paintner, 2024-09-13 I believe we all carry grief that has gone unnamed and unmourned writes best selling author Christine Valters Paintner Nothing in our culture prepares us to deal with darkness and grief We are told to cheer up and move on to shop or drink our way to forgetting the pain we carry Yet I believe that being faithful to our own dark moments is the path of true prayer In her book A Midwinter God Encountering the Divine in Seasons of Darkness Paintner offers an invitation to enter the wisdom of holy darkness and to find there a path toward hope and spiritual maturity Paintner has experienced multiple journeys through grief that have brought her face to face with what she calls the midwinter God the seeming absence of the God of life in dark and fallow seasons of loss She has learned to confront her own terror in that darkness and to approach it with curiosity to see what it has to teach her This endeavor has illuminated a path for her to embrace a life of profound depth one that honors both the trials of suffering and the richness of joy With her characteristic integrative and creative practices Paintner abbess of the online Abbey of the Arts guides her readers to view darkness as a place where seeds of holiness begin to germinate Each chapter of this book unfolds as an invitation to grow in understanding of holy darkness and also meditate reflect and create with these elements Paintner s reflections on various themes of loss and acceptance Insights on a scripture passage written by Paintner s husband John A guided meditation to bring the teachings into your heart Prompts for an expressive arts practice to process these insights through creativity Reflection questions to integrate what you have experienced Writing samples from people who have worked through this material in an online retreat Autumn and winter are vital to the health of nature and to our own bodies It is a time of releasing and letting go a season that invites us to slow down to welcome the growing darkness and to grow stiller and quieter Darkness can be an uncomfortable and uneasy place but it is also a place of profound incubation and gestation a source of tremendous and hard wrought wisdom With Paintner as our guide we can encounter this midwinter God with vulnerable courage that leads us to hope filled wholeness

Ancient Skies, Ancient Trees ,2016-10-25 Photographer Beth Moon revisits the world s oldest trees in the darkest places on earth using color photography to capture vibrant nighttime skies Throughout much of the world night skies are growing increasingly brighter but the force that protects the remaining naturally dark sky unpolluted by artificial light is the same that saves its ancient trees isolation Staking out some of the world s last dark places photographer Beth Moon uses a digital camera to reveal constellations nebulae and the Milky Way in rich hues that are often too faint to be seen by the naked eye As in her acclaimed first volume Ancient Trees Portraits of Time these magnificent images encounter great

arboreal specimens including baobabs olive trees and redwoods in such places as South Africa England and California In her artist s statement Beth Moon describes the experience of shooting at night in these remote places An essay by Jana Grceвич postdoctoral fellow of astrophysics at the American Museum of Natural History provides the perspective of a scientist racing to study the stars in a world growing increasingly brighter Clark Strand the author of *Waking Up to the Dark Ancient*

The Ancient Wisdom Annie Besant,2012 Old Lamps for New ,1925 Ancient Wisdom for the 21st Century Burt Wilson,2008-10-01 The Ancient Wisdom is a body of pure knowledge of God and creation that has existed for millenniums It has been in existence since time began long before the appearance of any of today s major religions Although ancient in source it has a philosophical integrity that is as relevant in today s life as it has been in every previous period of time No irreconcilable leaps of faith are required No mysteries All is knowable The wisdom contained herein is that which has always been previously communicated to interested spiritual aspirants who sought it out This book continues that tradition *Old Lamps for New* Claude Fayette Bragdon,1925 *The Ancient Wisdom (unabridged)* Annie Besant,2019-02-23 This book is intended to place in the hands of the general reader an epitome of theosophical teachings sufficiently plain to serve the elementary student and sufficiently full to lay a sound foundation for further knowledge It is hoped that it may serve as an introduction to the profounder works of H P Blavatsky and be a convenient steppingstone to their study Those who have learned a little of the Ancient Wisdom know the illumination the peace the joy the strength its lessons have brought into their lives That this book may win some to con its teachings and to prove for themselves their value is the prayer with which it is sent forth into the world Annie Besant August 1897
