Walking With Jesus How To Experience The Heart Of The Bible:

Walking with Jesus Neville Goddard, 2015-12-15 HOW TO EXPERIENCE THE HEART OF THE BIBLE One of the most controversial statements in the New Testament concerns the virgin conception and subsequent birth of Jesus a conception in which man had no part It s recorded that a virgin conceived a son without the aid of man then secretly and without effort gave birth to her conception This is the foundation upon which all Christendom rests The Christian world is asked to believe this story for man must believe the unbelievable to fully express the greatness that he is Scientifically we might be inclined to discard the whole Bible as untrue because our reason will not permit us to believe that the virgin birth is physiologically possible but the Bible is a message of the soul and must be interpreted psychologically if we re to discover its true symbolism We must see this story as a psychological drama rather than a statement of physical fact In so doing we ll discover the Bible to be based on a law which if self applied will result in a manifested expression transcending our wildest dreams of accomplishment

Walking with God John Eldredge,2010-09-19 This is a series of stories of what it looks like to walk with God over the course of about a year So begins a remarkable narrative of one man s journey learning to hear the voice of God The details are intimate and personal The invitation is for us all What if we could hear from God often What difference would it make We have a lot to sort through on any given day A whole lot to

navigate over the course of a week or a month Am I in the right place The right relationships How am I going to come up with enough money to do the things I want to do And what about love is this the one Will it last What is causing all those fears I keep pushing down inside Why can t I overcome those habits that look more and more like addictions Am I at the right church Should I even go to church What is God doing in my life All day long we are making choices It adds up to an enormous amount of decisions in a lifetime How do we know what to do We have two options We can trudge through on our own doing our best to figure it all out Or we can walk with God As in learn to hear his voice Really We can live life with God He offers to speak to us and guide us Every day It is an incredible offer To accept that offer is to enter into an adventure filled with joy and risk transformation and breakthrough And more clarity than we ever thought possible **The Branch Exposition of**
