Walking the Walk Marcus Tankard, 2018-01-16 This book is a part of a series entitled Believer Essentials When I started pastoring I told our congregation how important it is that we meditate on the Word constantly This must be a constant effort One of the practical ways that I told our church to apply this was to strategically place faith snacks in different areas of their homes and their jobs You may say What is a faith snack A faith snack is anything that feeds your faith i e a book sermon note card DVD etc After mentioning this to them a few times the Lord impressed on my heart to have a part to play in this faith snacking I wrote these series of books on topics that are essential to your walk with God The underlying theme in all of the books is the in Him revelation in the New Testament The most important thing that you can do as a believer is discover and acknowledge who you are in Christ what you have

because of Christ and what you can do with Christ So take this mini book with you to work Place it in your bathroom at home with the rest of your books and magazines Download it to your iPad or tablet Put it by your nightstand What are you doing You are keeping the word of God before your eyes As you keep the Word before your eyes and you meditate on it by reading it speaking it and thinking about it you will begin to make your way prosperous and experience the God kind of life you were called to enjoy Joshua 1 8 Proverbs 4 20 22
