

RESISTING
THE THIRD
REICH—
ONE WOMAN'S
STORY

WALLS

Hiltegunt Lassenhaus

With a new Foreword
by Katherine Paterson

"An admirable
memoir, set
down in cool
reflection but
charged with
inescapable
emotion."

-The New Yorker

Walls Resisting The Third Reich One Womans Story

M Mosston

Walls Resisting The Third Reich One Woman's Story:

Walls: Resisting the Third Reich — One Woman's Story Hiltgunt Zassenhaus, 2021-04-18 Walls is the story of how a young German woman acting alone with the cooperation of a handful of other individuals in wartime Germany brought sustenance and hope to thousands of political prisoners of the Third Reich When so many of us seem crippled by the numbness we see in our own society Walls reminds us of the power of individual conscience The Nation I want my friends to read this book I want to fix them with a glittering eye la Ancient Mariner and force them to sit down and start reading How else can they learn that a book about wartime Germany and concentration camp horror can be enthralling inspiring and even possess charm Pamela Marsh Christian Science Monitor The autobiography of Hiltgunt Zassenhaus pierced through the malaise and oppressive apathy of our society to affect me more profoundly than I recall a book ever having done before Genesis II The suspenseful and dramatic story of one courageous woman's bold deception of the Gestapo Book of the Month Club News This book releases its own inspiring energies In times that call for courage ever more courage Walls will remind any human heart of its own worst dangers and its best possibilities National Catholic News Service set down in cool reflection but charged with inescapable emotion The New Yorker [Walls : resisting the Third Reich--one woman's story](#) Hiltgunt

Zassenhaus, 1974-03-01 Resisting the Third Reich One Woman's Story New Foreword by Katherine Paterson Best Book of the Year American Literary Association An enthralling and inspiring account of one woman's experience in wartime Germany

Open Court Classics Carl Bereiter, 2002-07 Contains planning differentiation and assessment tips that enhance instruction in print and book awareness letter recognition phonological and phonemic awareness and more **From Day to Day** Odd Nansen, 2021-04-30 This new hardcover edition of Odd Nansen's diary the first in over sixty five years contains extensive annotations and other material not found in any other hardcover or paperback versions Nansen a Norwegian was arrested in 1942 by the Nazis and spent the remainder of World War II in concentration camps Grini in Oslo Veidal above the Arctic Circle and Sachsenhausen in Germany For three and a half years Nansen kept a secret diary on tissue paper thin pages later smuggled out by various means including inside the prisoners hollowed out breadboards Unlike writers of retrospective Holocaust memoirs Nansen recorded the mundane and horrific details of camp life as they happened from day to day With an unsparing eye Nansen described the casual brutality and random terror that was the fate of a camp prisoner His entries reveal his constantly frustrated hopes for an early end to the war his longing for his wife and children his horror at the especially barbaric treatment reserved for Jews and his disgust at the anti-Semitism of some of his fellow Norwegians Nansen often confronted his German jailors with unusual outspokenness and sometimes with a sense of humor and absurdity that was not appreciated by his captors After the Putnam's edition received rave reviews in 1949 the book fell into obscurity In 1956 in response to a poll about the most undeservedly neglected book of the preceding quarter century Carl Sandburg singled out From Day to Day calling it an epic narrative which took its place among the great affirmations of the power of the

human spirit to rise above terror torture and death Indeed Nansen witnessed all the horrors of the camps yet still saw hope for the future He sought reconciliation with the German people even donating the proceeds of the German edition of his book to German refugee relief work Nansen was following in the footsteps of his father Fridtjof an Arctic explorer and humanitarian who was awarded the Nobel Peace Prize in 1922 for his work on behalf of World War I refugees Fridtjof also created the Nansen passport for stateless persons Forty sketches of camp life and death by Nansen an architect and talented draftsman provide a sense of immediacy and acute observation matched by the diary entries The preface is written by Thomas Buergenthal who was Tommy the ten year old survivor of the Auschwitz Death March whom Nansen met at Sachsenhausen and saved using his extra food rations Buergenthal author of *A Lucky Child* formerly served as a judge on the International Court of Justice at The Hague and is a recipient of the 2015 Elie Wiesel Award from the US Holocaust Memorial Museum

German History in Modern Times William W. Hagen, 2012-02-13 This history of German speaking central Europe offers a very wide perspective emphasizing a succession of many layered communal identities It highlights the interplay of individual society culture and political power contrasting German with Western patterns Rather than treating the Germans as a collective whole whose national history amounts to a cumulative biography the book presents the pre modern era of the Holy Roman Empire the nineteenth century the 1914 45 era of war dictatorship and genocide and the Cold War and post Cold War eras since 1945 as successive worlds of German life thought and mentality This book s Germany is polycentric and multicultural including the multinational Austrian Habsburg Empire and the German Jews Its approach to National Socialism offers a conceptually new understanding of the Holocaust The book s numerous illustrations reveal German self presentations and styles of life which often contrast with Western ideas of Germany

Mobilizing America: Robert P. Patterson and the War Effort, 1940-1945 Keith Eiler, 2022-12-14 Judge Robert P Patterson resigned from the US Court of Appeals for the Second Circuit in New York City in 1940 to join the War Department to help prepare the country for a war he knew was coming As Under Secretary of War he was responsible under Secretary of War Henry L Stimson for industrial mobilization and procurement for the army and the army air force The study documents Patterson s extraordinary and largely unrecognized contributions to the war effort recounts how the federal government transformed itself for war and converted a vast market oriented economy into an effective war machine and documents numerous issues about the evolution of civil military relations during the emergency Patterson emerges as a self effacing public servant of unusual ability and character This splendid biography does belated justice to one of the unsung heroes of the Second World War Robert P Patterson a quiet man of commanding ability and sturdy purpose played a key role in the mobilization of American men and resources that made victory possible *Mobilizing America* illuminates both the integrity of the man and the complexity of his achievement Arthur Schlesinger Jr In *Mobilizing America* Keith E Eiler makes a significant contribution to our understanding of the mobilization by describing the contributions of Robert P Patterson a heretofore neglected yet pivotal figure in making

President Franklin D Roosevelt s vision of America as the Arsenal of Democracy into a reality Mobilizing America is a worthy work of scholarship Gracefully written it deftly examines Patterson s style and numerous issues of wartime policy and reminds us that a purposeful individual can make a difference in a vast national endeavor The Journal of Military History Students of the Second World War even professional military officers are often woefully uninformed about the vast and complex war effort waged on the home front to provide the supplies trained manpower and munitions necessary to ultimate victory Keith Eiler has found a way to portray this mobilization effort vividly by telling the story through the eyes of Undersecretary of War Robert P Patterson a modest but dynamic man whose contributions in the author s words were comparable only to those of the army s chief of staff General George C Marshall and of the president himself I recommend this book to anyone seeking to attain a full understanding of the entire United States war effort John S D Eisenhower As a study of the domestic economy during WWII this book is unparalleled Choice Eiler has written a comprehensive account of Patterson s Herculean efforts largely unrecognized then or later which were so essential for the final victory Patterson emerges as a patriot and ideal public servant Library Journal This account of the career of one of the 20th century s great public servants is a dramatic story ably narrated and documented about a side of World War II the domestic war against entrenched bureaucracy in which Patterson played an heroic role Washington Times A detailed well researched book The Journal of American History

Comparative Central European Holocaust Studies Louise Olga Vasvári, Steven Tötösy de Zepetnek, 2009 The work presented in the volume in fields of the humanities and social sciences is based on 1 the notion of the existence and the describability and analysis of a culture including e g history literature society the arts etc specific of to the region designated as Central Europe 2 the relevance of a field designated as Central European Holocaust studies and 3 the relevance in the study of culture of the comparative and contextual approach designated as comparative cultural studies Papers in the volume are by scholars working in Holocaust Studies in Australia Germany Hungary Israel Serbia the United Kingdom and the US
