McMains, 2002 Dubbed America s Game by Walt Whitman baseball has been enjoyed in our nation s capital by everyone from young boys playing street stickball to Presidents throwing out the inaugural first pitch of the season Just 13 years after Alexander Cartwright codified baseball s rules the Washington Nationals Baseball Club formed and in 1867 toured the country spreading the baseball gospel By 1901 the team became one of the first eight major league teams in the newly formed American League Players such as Walter Johnson probably the greatest pitcher of all time and other Senators under the stewardship of owner Clark Griffith successfully led the club in 1924 to what many consider to be the most exciting World Series in baseball history Later the Homestead Grays played at Griffith Stadium and fielded a team featuring legendary Negro League greats such as Josh Gibson and Buck Leonard The powerhouse Grays during a ten year span won nine Negro League World Championships a record that may never be equaled in any team sport again When the Grays disbanded the

original Senators left for Minnesota in 1960 and the expansion Senators of the 1960s relocated the city was left without a professional baseball team While many feared that baseball in D C was over a spirit remained on the diamond and is still felt today as children and adults team up in one way or another to play the national pastime in the nation s capital Hopes for a new professional team linger and those remembering baseball s heyday will enjoy this extensive and unusual collection of historic photos that celebrate a time when the crowds roared and Washingtonians believed that the summer game would never end *Fenway 1912* Glenn Stout,2011 A narrative of the first Red Sox season at Fenway Park this book for fans coincides with the 100 year anniversary of the park **What Makes an Elite Pitcher?** Warren N. Wilbert,2010-07-27 Elite baseball pitchers are elite for a reason They seem to have it all a variety of pitches that no one can lay a bat to cool heads and confidence in their stuff when they get in a jam and the kind of dexterity that makes difficult plays seem easy Is elite status revealed through statistics Though the author of this book considers statistics of both the traditional and sabermetric sort he argues that the greats are proved not by broad statistical comparison with all other pitchers but by their record against one another In a thoughtful discussion of the evidence of head to head matchups he finds the nine pitchers who make up the true elite Cy Young Christy Mathewson Walter Johnson Grover Alexander Lefty Grove Warren Spahn Tom Seaver Roger Clemens and Greg Maddux For each pitcher the book provides biographical information career highlights and a list of the feats that put him in the record books **Baseball in Orange County** Chris Epting,2012-06-11 Organized baseball in Orange County began in the late 1880s when community teams began forming among oil well workers Around 1900 a farm boy from Kansas named Walter Johnson arrived with his family Soon the flame throwing future hall of fame pitcher would be dominating games throughout the county as a star for Fullerton Union High School As the popularity of baseball grew more teams and leagues formed in Santa Ana Anaheim Huntington Beach and other cities Connie Mack brought the Philadelphia Athletics to spring train in Orange County in the 1940s Joe DiMaggio played for his Santa Ana Air Base team after joining the Army Babe Ruth Lou Gehrig Jackie Robinson and many other legends visited Orange County over the years Dozens of well known players grew up here and many are laid to rest here In 1966 the California Angels played their first game in Orange County where they remain today as the Los Angeles Angels of Anaheim The baseball history in Orange County is rich and surprising

Each has a compelling story some interwoven with the game's greatest moments *Baseball Barnstorming and Exhibition Games, 1901-1962* Thomas Barthel, 2014-12-09 Until 1947 professional ball players were paid only from opening day to season's end. Even during the season a lot of their expenses came out of their own pockets. Even the best paid players had trouble making ends meet. One answer to their money woes was barnstorming: tours out of season. Cities lacking their own major league teams were happy to host big league players for such events as well as for special exhibition games whose proceeds sometimes went to local charities. Here is a history of barnstorming and exhibition games from 1901 when both of the two current major leagues began operating through 1962 when a team led by Willie Mays was unsuccessful in its attempt at a tour signaling an end to true barnstorming. Decade by decade it covers the teams, the games, and the players for a detailed look at how barnstorming and exhibition brought big league baseball to the backyard ballparks of America.

Congressional Record United States. Congress, 1961 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873. **You Gotta Have Heart** Frederic J. Frommer, 2013-06-21 First in War, First in Peace, and Last in the American League. Expressions such as this characterized the legend and lore of baseball in the nation's capital from the pioneering Washington Nationals of 1859 to the Washington Senators whose ignominious departure in 1971 left Washingtonians bereft of the national pastime for thirty-three years. This reflective book gives the complete history of the game in the D.C. area, including the 1924 World Series championship team and the Homestead Grays, the perennial Negro League pennant winners from the late 1930s to the mid 1940s who consistently outplayed the Senators. New chapters describe the present-day Nationals who in 2012 won the National League East led by the arms of Gio Gonzalez and Stephen Strasburg and the bats of Ryan Zimmerman, Adam LaRoche, and rookie Bryce Harper. The book is filled with the voices of current and former players along with presidents, senators, and political commentators who call the team their own. *George Weiss* Burton A. Boxerman, Benita W. Boxerman, 2016-07-21 The New York Yankees were the strongest team in the majors from 1948 through 1960, capturing the American League Pennant 10 times and winning seven World Championships. The average fan, when asked who made the team so dominant, will mention Joe DiMaggio, Yogi Berra, Whitey Ford, or Mickey Mantle. Some will insist manager Casey Stengel was the key. But pundits at the time and respected historians today consider the shy, often taciturn George Martin Weiss the real genius behind the Yankees' success. Weiss loved baseball but lacked the ability to play. He made up for it with the savvy to run a team better than his competitors. He spent more than 50 years in the game, including nearly 30 with the Yankees. Before becoming their general manager, he created their superlative farm system that supplied the club with talented players. When the Yankees retired him at 67, the newly franchised New York Mets immediately hired him to build
