Digital inequality in a developing context Nobert R. Jere,Gardner Mwansa,Memory Ranga,Attlee M. Gamundani,Pardon B Maoneke,2025-04-15 Digital inequality in a developing context A multifaceted approach critically explores the complex and persistent nature of the digital divide in South Africa addressing a notable gap in existing scholarship Drawing on secondary data the book examines how digital inequalities manifest across key sectors such as education healthcare and agriculture sectors vital to national development and individual well being These disparities are shaped by intersecting socio economic technical and geographical factors particularly the urban rural divide The volume underscores the importance of infrastructure development digital literacy affordability and equitable access as central to bridging the digital gap It argues that without targeted and sustained interventions in these areas digital inequality will continue to hinder socio economic progress and deepen existing structural inequalities This scholarly book offers fresh perspectives and practical insights for researchers policymakers and practitioners seeking to advance digital inclusion in developing contexts

Products and Applications of Biopolymers Casparus Verbeek,2012-03-07 It is interesting to consider that biopolymers are by no means new to this world It is only because of our fascination with petrochemical products that these wonderful materials have been neglected for so long Today we face a different challenge Environmental pressure is pushing away from synthetic or petro chemically derived products while economic factors are pulling back from often more expensive green options This book presents two aspects of biopolymers potential products and some applications of biopolymers covering the current relevance of biopolymers *Commonwealth Universities Yearbook* ,2006
