Reason and Analysis in Ancient Greek Philosophy Georgios Anagnostopoulos, Fred D. Miller Jr., 2013-06-14 This distinctive collection of original articles features contributions from many of the leading scholars of ancient Greek philosophy They explore the concept of reason and the method of analysis and the central role they play in the philosophies of Socrates Plato and Aristotle They engage with salient themes in metaphysics epistemology ethics and political theory as well as tracing links between each thinker's ideas on selected topics The volume contains analyses of Plato's Socrates focusing on his views of moral psychology the obligation to obey the law the foundations of politics justice and retribution and Socratic virtue On Plato's Republic the discussions cover the relationship between politics and philosophy the primacy of reason over the soul's non rational capacities the analogy of the city and the soul and our responsibility for choosing how we live our own lives The anthology also probes Plato's analysis of logos reason or language which underlies his philosophy including the theory of forms A quartet of reflections explores Aristotelian themes including the connections between knowledge and belief the nature of essence and function and his theories of virtue and grace The volume concludes with an insightful intellectual memoir by David Keyt which charts the rise of analytic classical scholarship in the past century and along the way provides entertaining anecdotes involving major figures in modern academic philosophy Blending academic authority with creative flair and demonstrating the continuing interest of ancient Greek philosophy this book will be a valuable addition to the libraries of all those studying and researching the origins of Western philosophy

Philosophers in the Classroom Steven M. Cahn, Alexandra Bradner, Andrew P. Mills, 2018-09-15 In these essays 24 of our most celebrated professors of philosophy

address the problem of how to teach philosophy today how to make philosophy interesting and relevant how to bring classic texts to life how to serve all students and how to align philosophy with more practical pursuits Selected and introduced by three leaders in the world of philosophical education the insights contained in this inspiring collection illuminate the challenges and possibilities of teaching the academy's oldest discipline

Understanding Prayer for the Dead James B Gould, 2017-08-31 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God's purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned

Dispersing the Clouds of Temptation Brian Lightbody, 2015-04-21 In Romans 7 14 25 Paul declares For I do not do the good I want but the evil I do not want is what I do KJV St Paul's statement is a universal truth for all human beings humans whether Christians Jews Muslims Buddhists Hindus or atheists are prone to committing free actions that are not good Furthermore and irrespective of how we might construe the notion of good whether as acting in accordance with some religious or spiritual precept or simply doing what is in one's best interest we often knowingly and freely choose actions that may or in fact do harm us There is a name given to such actions We call them weak willed Weakness of will or akrasia has perplexed philosophers theologians and laypersons alike for centuries This book reveals why the idea has caused so much bafflement and consternation for so many The main thrust of the work however is to illuminate and inspire Lightbody seeks to demonstrate concretely how and why we are weak willed By extracting an alchemical touchstone from Plato's middle period philosophy Lightbody in addition reveals how we may transmute harmful appetites into life edifying passions

Detriments of Theistic Religion in Politics and Its Effect on the Immigration Problem Talavera, Isidoro, 2024-09-06 The intersection of theistic religion and politics sparks continued controversy particularly when addressing complex social issues like immigration When religious ideologies influence political decisions they can lead to policies that are less informed by empirical evidence and more driven by doctrinal beliefs The consequences are not only detrimental to the integrity of policymaking but also to the well being of communities affected by such policies Critical examination of the impacts of theistic religion on political discourse and immigration is necessary to

advocate for improved evidence based approaches to policymaking *Detriments of Theistic Religion in Politics and Its Effect on the Immigration Problem* explores the effects of religious influences in government policies related to immigration Aspects of theology ethics and morality related to policy and law creation are explored along with effective solutions to solve issues of immigration in the United States This book covers topics such as theology ethics and morality and political science and is a useful resource for politicians policymakers government officials economists religious organizations business owners academicians researchers and scientists
