Um Krone Und Reich Die Tragdie Des Letzten Habsburgerkaisers

Gerhard Loibelsberger

Um Krone Und Reich Die Tragdie Des Letzten Habsburgerkaisers:

Erzherzogin Maria Annunziata (1876-1961) Norbert Nemec, 2010 Maria Annunziata 1876 1961 die Nichte des Kaisers Franz Joseph I stand teilweise im Schatten bedingt durch ihre berühmten Verwandten z B Franz Joseph ihre Cousine Zita und ihren Neffen Karl Dennoch hatte ihr das Schicksal eine Rolle in der Öffentlichkeit zugeordnet etwa durch ihre Position als ranghöchste Erzherzogin des Wiener Hofes oder als Äbtissin des Theresianischen Damenstiftes in Prag Durch eingehendes Studium der Quellenlage und mit den Mitteln der Oral History soll versucht werden erstmals die Biografie dieser Erzherzogin nachzuzeichnen die untrennbar mit der Familie Habsburg verbunden ist in deren Dienst sie ihr ganzes Leben gestellt hat Die großen Herrscher Österreichs Helmut Neuhold, 2012-09-20 Österreich wurde in nahezu tausend Jahren seiner Geschichte beinahe ohne Unterbrechung von nur zwei Herrschergeschlechtern regiert Der vorliegende Band stellt alle historisch bedeutenden Herrscher Österreichs aus den Häusern Babenberg und Habsburg konzise in ihrer Persönlichkeit und ihrem geschichtlichen Umfeld dar Neben den wichtigsten Lebensdaten und einer Kurzbiographie wird das geschichtliche Wirken des jeweiligen Herrschers skizziert Durchaus kritisch ist die Perspektive des Autors der dabei auch die großen historischen Entwicklungslinien berücksichtigt Die porträtierten Dynastien herrschten von 976 bis 1918 und prägten so knapp tausend Jahre europäische Geschichte In diesem langen Zeitraum erlebte das Land eine Vielzahl von Herrschern unterschiedlichster Persönlichkeit Begabung und Geschichtsmächtigkeit Das heutige Gesicht Österreichs und Europas wäre ohne die Babenberger und Habsburger ein anderes **Die Kaiser der Neuzeit, 1519-1918** Anton Schindling, Walter Ziegler, 1990 **Ein General im Zwielficht: K.u.K. Generalstabsoffizier und Historiker** Edmund Glaise von Horstenau, Peter Broucek, 1980 Angaben zur beteiligten Person Broucek Peter Broucek geb 1938 **Die Habsburgermonarchie 1848-1918** Adam Wandruszka, Peter Urbanitsch, Österreichische Akademie der Wissenschaften, 1973 The previous volume in the series Die Habsburgermonarchie 1848 1918 dealt with political elites as seen in constitutional questions and the history of parliamentary institutions The current volume looks at the degree of democratization of this period in the social spheres and processes that were outside constitutional issues and parliamentary sittings The politicization of masses took place in political and cultural environments outside organized politics and was dominated by associations and local organizations primarily held together by the local press Activists from steering committees of such associations and from editorial offices were responsible for the transformation of the traditional bureaucratic feudal state to a peoples civil state Associations political parties and a large quantity of printed material provided the school in which ordinary people learned what was required for political action Twenty eight authors from ten different countries have investigated this development in Eastern Central Europe Mitteleuropa an area socially and culturally highly diverse About 2 800 associations from all parts of the Habsburg Monarchy have formed the basis for these studies listed in a separate index at the end of Part 2 In 1910 over 100 000 associations existed in Cisleithania alone In addition to

associations that were purely political there were many other types of associations including cultural student confessional singing sports and vocational as well as associations promoting economic progress all of which could be used for political purposes and often were As the activities of most of these associations whose members numbered from a mere dozen to several hundred were mainly local the articles in this volume are organized according to region However attention has also been given to bodies whose activities covered a much wider area and that represented broad economic cultural and political interests including the feminist movement Even if one considers the unequal levels of development in different areas which slowed the acceptance of general trends because of local circumstances some general trends are nevertheless visible throughout the Habsburg Monarchy Associations changed from being a place for citizens to deliberate political cultural and economic questions including emancipation of the underprivileged to all encompassing political factions The ideological national and vested interest cohesion of these factions varied in the different parts of the Habsburg Monarchy As a result in the years before the First World War the political landscape in Bohemia and Galicia was quite different from that of the German speaking Alpine and Danubian areas The large number of associations played a vital role for increasing political participation but also mirror the rise seen in other fields as well in tendencies of disintegration within the Central European society or societies and the rejection of the supra and trans national order supported by the Austro Hungarian authorities

Habsburgs verschollene Schätze Katrin Unterreiner, 2020-09-15 Waren die Habsburger reich oder bescheiden Woher kam das Geld wovon lebten sie eigentlich und wie gingen sie mit ihren Apanagen um Was passierte mit den Aussteigern Gab es unterschiedlich vermögende Habsburger und wurden sie 1918 enteignet und verloren auch ihr Privatvermögen Was passierte mit dem Vermögen nach dem Ende der Monarchie und wohin sind die Kronjuwelen verschwunden In ihrem neuesten Buch begibt sich Katrin Unterreiner auf die Spurensuche nach dem Vermögen der Habsburger und geht unter anderem diesen bis heute immer wieder diskutierten Fragen auf den Grund Das Buch bietet nicht nur spannende Einblicke in die Vermögensverhältnisse der kaiserlichen Familie sondern zeigt auch wofür die Habsburger ihr Geld ausgaben und wie ihr Lebensalltag aussah Neben privaten Einblicken und spannenden neuen Erkenntnissen kann auch endlich der Krimi um die verschwundenen Kronjuwelen gelöst werden **Die**
