Jorge Alexandre Dumas,Jean Pierre Félicien Mallefille,1852 Women on the Right Clarisse Berthezène,Laura Lee Downs,Julie V. Gottlieb,2025-01-09 Women on the Right explores the complex relationships between conservative and right wing politics social action and women actors from the late 19th to the late 20th century Edited by Clarisse Berthezène Laura Lee Downs and Julie V Gottlieb each essay examines the spectrum of women s engagement with right wing politics from centrist and progressive conservatism groups to authoritarianism and fascism This book uses local and national case studies to explore a wide range of women s social and political mobilizations Using a bottom up perspective it stays focused on the ideas ambitions and practices of the actors themselves Key points of comparison include the very different roles played by religious institutions and associations the broader regional and national contexts and the dynamics that favour or not the eventual construction of welfare states Women on the Right consistently adopts a multinational and multidimensional approach by bringing together a team of expert contributors to engage in a discussion of the comparative and transnational features of right wing women s political thought and practice The result is a unique contribution to the historical understanding of women s participation in and ideas about conservative activism Los democristianos y el proyecto político de «Cuadernos para el diálogo», 1963-1969 PANDO BALLESTEROS, María de la Paz,2005-03-01 Este trabajo sobre Cuadernos para el Diálogo no agota el estudio de esta riquísima fuente sino que la utiliza para abordar una cuestión mal conocida como es el papel socializador desempeñado por la oposición democristiana en el mesofranquismo y los detalles de su programa o modelo político entre los años 1963 y 1969 en que Cuadernos fue la más significativa y completa aunque no la única tribuna de expresión de los democristianos La oposición representada por estos en la etapa estudiada no está suficientemente investigada lo que resulta tanto más llamativo cuanto que a la altura de los años 60 los democristianos parecían según las encuestas disponibles una alternativa política plausible a la Dictadura **El derecho a la memoria** Felipe Gómez Isa,2006 En los últimos tiempos estamos asistiendo tanto en nuestro país como en la esfera internacional a un interés creciente por las cuestiones relacionadas con el derecho a la reparación y el papel que puede jugar la memoria como elemento necesario para que florezca la verdad se haga justicia y así se pongan las bases para una auténtica reconciliación La memoria se ha convertido en una categoría filosófica política y jurídica convirtiendo el recuerdo en un auténtico deber moral en un antidoto contra la barbarie y el olvido en que han caído muchas veces las víctimas de las violaciones de los

derechos humanos más básicos Este proyecto de investigación pretende una aproximación interdisciplinar y global al complejo fenómeno de la reparación y la memoria histórica Tras la aproximación moral que figura en el prólogo del psiquiatra Carlos Castilla del Pino nos adentramos en el análisis del derecho a la reparación en el ámbito internacional que ha registrado una espectacular evolución en los últimos tiempos de la mano de las Naciones Unidas El segundo capítulo aborda una mirada interdisciplinar al complejo fenómeno de la memoria con atalayas tan diversas como la filosofía la política la psicología social la literatura o el cine A continuación cedemos la voz a las memorias excluidas aquellas que se han visto marginadas desde las narrativas oficiales de la historia las mujeres los pueblos indígenas las minorías nacionales o los homosexuales son algunos de los grupos a los que hemos querido convocar a este proceso de recuperación furtiva de memorias políticamente incorrectas En el cuarto capítulo hemos querido arrojar luz sobre el actual debate en torno a la memoria histórica en España y finalmente hemos otorgado un lugar preferente a la auténtica protagonista en todo proceso de reparaciones y de recuperación de la memoria la sociedad civil y en particular las víctimas

La Novela teatral, 1920 **The Philippine Islands, 1493-1803** Emma Helen Blair, James Alexander Robertson, 1906 **El Partido Socialista Galego (PSG) y el discurso de los derechos del franquismo a la transición democrática** CARBAJO VÁZQUEZ, Judith, 2016-06-15 En el Partido Socialista Galego PSG confluyen tanto los herederos del Partido Galeguista de preguerra o la vanguardia culturalista galleguista en sus orígenes como algunos de los llamados a ser protagonistas de la Galicia democrática ya militando en el socialismo a partir de la conformación del PSdG PSOE ya en el nacionalismo liderados por su secretario general Xos M Beiras cabeza del futuro BNG En esta tesis se analizan la formación evolución histórica prácticas discursivas estrategias y movilización en un territorio con identidad nacional propia del mencionado conglomerado desde el tardofranquismo hasta la aprobación del Estatuto de Autonomía de Galicia Aplicando la teoría de la movilización y la metodología del análisis del discurso al articulado sobre los derechos por las corrientes marxistas socialistas y galleguistas nacionalistas del Partido objeto de investigación y estudiando su condicionamiento por el contexto histórico político e identitario gallegos contemporáneos se advierte cómo se engranan combinan deconstruyen desnaturalizan o apropian discursos y prácticas partidistas varias para construir la identidad hegemónica del PSG La especial atención prestada a dicha construcción y a la utilización de los derechos como marco o herramienta cultural movilizadora y legitimadora aporta un nuevo enfoque al estudio del Partido Socialista Galego
