Una Pena en Observación Clive Staples Lewis, 2016-01-15 Tras la trágica muerte de su amada esposa como una manera de sobrevivir los difíciles momentos de la medianoche Una pena en observación relata los más sinceros pensamientos de C S Lewis sobre los temas fundamentales de la vida la muerte y la fe al sufrir una pérdida Grief Observed C. S. Lewis, 2001-02-06 Written after his wife's tragic death as a way of surviving the mad midnight moment A Grief Observed is C S Lewis's honest reflection on the fundamental issues of life death and faith in the midst of loss This work contains his concise genuine reflections on that period Nothing will shake a man or at any rate a man like me out of his merely verbal thinking and his merely notional beliefs He has to be knocked silly before he comes to his senses Only torture will bring out the truth Only under torture does he discover it himself This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe and how he can gradually regain his bearings

A Grief Observed Clive Staples Lewis, 1961 In April 1956 C S Lewis a confirmed bachelor married Joy Davidman an American poet with two small children After four brief intensely happy years Lewis found himself alone again and inconsolable To defend himself against the loss of belief in God Lewis wrote this journal an eloquent statement of rediscovered faith In it he freely confesses his doubts his rage and his awareness of human frailty In it he finds again the way back to life *Observaciones que hace el ejecutivo al proyecto de arancel de aduanas marítimas y fronterizas declarado con lugar a votar por el quinto congreso de la unión en su segundo período de sesiones* Mexico.
