Nkhoma, 2020-07-09 The first two essays in this book examine the biblical and philosophical basis for mission in the post modern world emphasising the experiential quality of mission over against the rational Subsequent essays discuss various aspects of mission with a focus on the Malawian context They highlight the impact of missionary work on the formation shaping and developments of Malawi as a national state Other essays examine various issues in New Testament scholarship including images of the Historical Jesus and how these relate to wisdom and apocalyptic traditions Called to Bless Robert D. Cornwall, 2021-09-29 What does your spiritual DNA look like In terms of your spiritual identity where do you come from and where are you going We live in an age when many Christians have experienced several denominational and religious communities Many wonder what to do with these experiences At the same time many congregations are made up of people who come from different traditions and the question is how to bring these diverse experiences into the life of the congregation in an enriching way If we take as our starting point the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations what might this look like in terms of our spiritual lives Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions as well as his experiences as a pastor and historical theologian to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences so that together we might fulfill the Abrahamic calling reaffirmed in Christ to be a blessing to the nations Unbinding the Gospel Gay Reese, Martha Grace

Reese, 2006 Based on a major four year study which focused on highly effective examples of evangelism in mainline churches and the motivations for evangelism including over 1000 interviews and funded by the Lilly Endowment Unbinding the Gospel sparkles with life practicality and spiritual depth Unbinding the Gospel Real Life Evangelism is a book for pastors who want to know the truth about the state of evangelism Should We Change Our Game Plan? George G. Hunter, 2013 The rules have changed We can continue following rules that no longer apply or we can craft a new game plan As a church leader which approach will you choose In Should We Change Our Game Plan George Chuck Hunter methodically lays out the foundational arguments for a radically new approach He begins with a survey of where we have been examining the secularization of our world He shows a clear picture of where we are now new rules and all He then discusses four critical aspects of church life that we must evaluate and re shape if we are to fulfill Christ's mission in this new age Hunter's writing is clear thorough eminently credible and enjoyable Game Plan is an excellent resource for all church leaders who need help in understanding or explaining why and how the Church must change **Turning Ourselves Inside Out** Russell Daye, Robert C. Fennell, 2021-09-14 Turning Ourselves Inside Out emerges from the Thriving Christian Communities Project started by the authors in 2015 as well as from a Facebook conversation where someone asked We always hear about the problems in our churches When are we going to talk about the good news stories This got the authors thinking How do we learn about what is exciting and what the Holy Spirit is doing How do we broaden the conversation beyond how sad afraid and grumpy we often are as church people These kinds of questions filled the authors imaginations as they scouted out the long walking route of Camino Nova Scotia the pilgrimage program offered by Atlantic School of Theology The long hours walking together gave them space and peace to think more broadly about what they wanted to learn and how to share it with the wider church In interviews with thirty five faith communities the authors discovered that amid great upheaval Christ is giving us a new church and this book offers readers a firsthand glimpse of it Turning Ourselves Inside Out isn't an off the shelf program or model It invites readers to listen to others experiences and then dig deep into their own and get down to the business of dreaming God's dream and making it real right where they are Leaders of congregations and all who care about what God is up to in the world need to hear these stories They are a source of hope and courage as God renews and revives God's people **A Taste of Joy and Liberty** Jeffrey Wattles, 2025-09-15 The magnum opus of one of today's most important Christian philosophers Stephen Post PhD author Dignity for Deeply Forgetful People and Pure Unlimited Love A compelling exploration that brings out the joy and spiritual growth central to the gospel Stephen Finlan PhD United Church of Christ pastor noted biblical scholar Seekers of all backgrounds and especially independent thinkers will find Jesus living on these pages as we've never seen him before Angie Thurston Harvard Fellow in Spirituality and Leadership Discover anew the living Jesus our world's greatest teacher in this riveting work of short lucid chapters that explore his life and legacy And learn why Jesus was the supreme example of his own teaching the gospel of love in the kingdom of God and the joy of serving in God's

Evangelism Outside the Box Rick Richardson, 2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach

them We need new ways of telling people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That s what Rick Richardson s book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of what we think they should value and leading them into a transforming experience with God Also included is Richardson s *Circles of Belonging* a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus

The Believer's Guide on Personal Evangelism Dr. John Thomas Wylie,2019-05-22 One needs to go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus After all they are the main eye witness accounts that we have of the Savior Jesus at work Luke 1 2 3 John 20 30 21 24 1 John 1 1 Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name John 20 31 Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained others to live We should remember that the witnesses who composed the books were not just witnesses to the truth they were changed by it The task of *The Believer s Guide On Personal Evangelism* is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ

Unscripted Jeff Iorg,2014-05-01 Christ was clear as you go you are to make disciples Imagine what the world might be like if you practiced those simple words as you go *Unscripted* empowers you to shake off stale evangelism techniques and programs and embrace a way of life that connects you with the spiritual power needed to effectively witness and where meaningful relationships are built through which your witness can flow Imagine the possibilities of what Christ wants to do when you live *Unscripted*
