The Wholeness Woods Davey Trace,2025-10-24 In a world that thrives on deception Sophia is a threat Born with the universes most sacred secrets imprinted in her very being she possesses true knowledge pure and unfiltered With the weight

of her awareness and the depths of her discernment Sophia sees through the veil of illusion and deception that shrouds the world In the heart of The Wholeness Woods Sophia s odyssey unravels the gentle unfurling of her soul As she listens to the whispers of the woods the shadows within her begin to stir and her essence starts to awaken In this mystical realm the fabric of reality is woven from the threads of love unity and wonder Sophia s journey becomes a harmonisation of One s Self a symphony of discovery that echoes across the expanse of the universe But her truth is a double edged sword while it sets her free it also makes her a target The world sees her as a threat a force that could disrupt the fragile balance of power and control With every step Sophia s heart beats stronger but the shadows that stir within her may hold the key to her greatest triumph or her most profound defeat
