Award Hall of Fame Author After surviving a trauma several years back Remy Reed relocated to a cottage on one of Maine's most remote islands. She's arranged her life just the way she wants it, spending her time working on her wood sculptures and soaking in the beauty of nature. It's quiet and solitary until the day she spots something bobbing in the ocean. Her binoculars reveal the something to be a man, and he's struggling to keep his head above water. She races out to save him and brings him into her home. He's injured, which doesn't detract from his handsomeness nor make him any easier to bear. He acts like a duke who's misplaced his dukedom, expensive tastes, lazy charm, bossy ideas. Remy would love nothing more than to return him to his people, but he has no recollection of his life prior to the moment she rescued him. Though she's not interested in relationships other than the safe ones she's already established, she begins to realize that he's coming to depend on her. Who is he? What happened that landed him in the Atlantic Ocean? And why is she drawn to him more and more as time goes by? There's no way to discover those answers except to walk beside him down memory lane. Travel to the rocky coast of Maine for opposites attract, banter, witty humor, a fascinating mystery, and destiny-changing love. When Keri Daniels' editor finds out she has previous carnal knowledge of reclusive bestselling author Joe Kowalski, she gives Keri a choice: get an interview or get a new job. Joe's never forgotten the first girl to break his heart, so he's intrigued to hear Keri's back in town and looking for him. Despite his intense need for privacy, he'll grant Keri an interview if it means a chance to finish what they started in high school. He proposes an outrageous plan: for every day she survives with his family on their annual camping and four-wheeling trip, Keri can ask one question. Keri agrees; she's worked too hard to walk away from her career. But the chemistry between them is still as potent as the bug spray. Joe's sister is out to avenge his broken heart, and Keri hasn't ridden an ATV since she was ten. Who knew a little blackmail, a whole lot of family, and some sizzling romantic interludes could make Keri
