Under Cover John Bevere, 2018-05-22 From the bestselling author of Killing Kryptonite and The Bait of Satan comes the newly revised edition of John Bevere's classic Under Cover This impactful examination of leadership and authority will answer questions like Ever wonder how to respond to a difficult boss Why you should listen to them in the first place What does God want me to understand about authority By teaching us how to properly relate to leadership John shows why living under authority is better than we think The truth is we will all one day have to follow the leader Whether at school at work in the military or even in the national political arena the question of who will lead and who will follow is constantly before us Your response will determine your future

Winning the Real Battle at Church: What Holds Your Church Together During Troubled Times David & Diane Noble, 2008 **God's Super-Apostles** R. Douglass Geivett, Holly Pivec, 2018-07-27

God's Super Apostles provides a concise entry level overview of the key teachings and practices of the New Apostolic Reformation NAR movement This is a key resource in grasping the significance of this global confusing and controversial movement It Is Written Chuck Chapman, 2023-11-17 For we do not wrestle against flesh and blood but against principalities against powers against the rulers of the darkness of this age against spiritual hosts of wickedness in the heavenly places Ephesians 6 12 It is written that there is an ancient war going on Whether you are aware of it or not whether you believe in that sort of thing or not and whether you care or not that battle rages on even now as you read this Have you ever wondered Is the devil real Can people really be possessed by demons If so can Christians be affected by demonic activity What power does the enemy have over me What power do I have over the enemy Is there anything I can do to lose that power Is there anything I can do to gain more power How do I claim and use my authority in Christ Is there any way to get the devil to leave me and my family alone It Is Written A Field Guide to Spiritual Warfare answers all of these questions and more by pointing the reader to the Word of God book chapter and verse for relevant practical application on exactly how to overcome Satan and his army as well as how to take the fight to the enemy Are you tired of getting pounded on by the devil day after day week after week month after month and year after year If so then this is the path to freedom for you It may surprise you to learn that it is written that if you are an authentic obedient child of God then the devil doesn't have any power over you unless you just give it to him Furthermore it is written that if you are indeed in Christ then you are actually the one with all the power and authority over the kingdom of darkness Behold I give you the authority to trample on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you Luke 10 19 It Is Written A Field Guide to Spiritual Warfare will teach you exactly how to endorse and enforce this God given power and authority A New Apostolic Reformation? R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement

And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture

You Want Me To... What? Norm Grant,2010-04 Norm Grant's *You Want Me To* WHAT is all about taking the chances which change our lives Through the course of the book Grant both figuratively and literally jumps off of a cliff to move forward in his life while encouraging us to do the same Mingling personal stories with quotations from famous authors and the Bible itself Grant brings to light the choices we all face on a daily basis Whether the choices are big or small he helps to point out that God is at work in each and every one of them At the same time he helps us to realize that it is our big choices and chances which reveal God's will for our lives With a well researched blend of stories from pop culture as well as ancient scripture Grant leads us down an easy to read path asking us to listen to the still small voice God's gentle whisper which can lead us to hidden blessings He reminds us that God is not only in the miracles which appear on the news but also in the small miracles we experience every day

Prison Religion Winnifred Fallers Sullivan,2011-09-06 More than the citizens of most countries Americans are either religious or in jail or both But what does it mean when imprisonment and evangelization actually go hand in hand or at least appear to What do faith based prison programs mean for the constitutional separation of church and state particularly when prisoners who participate get special privileges In *Prison Religion* law and religion scholar Winnifred Fallers Sullivan takes up these and other important questions through a close examination of a 2005 lawsuit challenging the constitutionality of a faith based residential rehabilitation program in an Iowa state prison *Americans United for the Separation of Church and State v Prison Fellowship Ministries* a trial in which Sullivan served as an expert witness centered on the constitutionality of allowing religious organizations to operate programs in state run facilities Using the trial as a case study Sullivan argues that separation of church and state is no longer possible Religious authority has shifted from institutions to individuals making it difficult to define religion let alone disentangle it from the state *Prison Religion* casts new light on church state law the debate over government funded faith based programs and the predicament of prisoners who have precious little choice about what kind of rehabilitation they receive if they are offered any at all

Every Believer a Disciple! David E. Bjork,2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to

better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples
