Under A Georgia Moon Volume 1:

Under the Crescent Moon with the XI Corps in the Civil War, Volume 1 James Pula, 2017-06-19 The XI Corps served in the Army of the Potomac for just twelve months September 1862 August 1863 during which it played a pivotal role in the critical battles of Chancellorsville and Gettysburg Thereafter the corps hastened westward to reinforce a Union army in besieged Chattanooga and marched through brutal December weather without adequate clothing shoes or provisions to help rescue a second Northern army under siege in Knoxville Tennessee Despite its sacrifices in the Eastern campaigns and successes in Tennessee the reputation of the XI Corps is one of cowardice and failure James S Pula sets the record straight in his two volume study Under the Crescent Moon The XI Corps in the American Civil War 1862 1864 Under the Crescent Moon a reference to the crescent badge assigned to the corps is the first study of this misunderstood organization The first volume From the Defenses of Washington to Chancellorsville opens with the organization of the corps and a lively description of the men in the ranks the officers who led them the regiments forming it and the German immigrants who comprised a sizable portion of the corps Once this foundation is set the narrative flows briskly through the winter of 1862 63 on the way to the first major campaign at Chancellorsville Although the brunt of Stonewall Jackson s flank attack fell upon the men of the XI Corps the manner in which they fought and many other details of that misunderstood struggle are fully examined here for the first time and at a depth no other study has attempted Pula s extraordinary research and penetrating analysis offers a fresh interpretation of the Chancellorsville defeat while challenging long held myths about that fateful field The second volume From Gettysburg to Victory offers seven chapters on the XI Corps at Gettysburg followed by a rich exploration of the corps participation in the fighting around Chattanooga the grueling journey into Eastern Tennessee in the dead of winter and its role in the Knoxville Campaign Once the corps two divisions are broken up in early 1864 to serve elsewhere Pula follows their experiences through to the war s successful conclusion Under the Crescent Moon draws extensively on primary sources and allows the participants to speak directly to readers The result is a comprehensive personalized portrait of the men who fought in the unlucky XI Corps from the difficulties it faced to the accomplishments it earned As the author demonstrates time and again the men of the XI Corps were good soldiers unworthy of the stigma that has haunted them to this day This long overdue study will stand as the definitive history of the XI Corps [The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7](#) Michael Gagarin, 2010 **Blount County, Alabama Confederate Soldiers, Volume 1: Cavalry** Robin Sterling, 2013-08-15 Mary Gordon Duffee wrote in 1892 When the drums beat and the bugles called for men to march to the front I tell you old Blount responded nobly and sent hundreds of her gallant sons to march fight suffer and die for the flag that now lies furled forever This series of books identifies Confederate soldiers who enlisted from the Blount County area plus those who moved to Blount County after the Civil War Company rosters are captured and service records pension applications birth dates spouses and marriage dates newspaper clippings and obituaries and pictures are contained in these
