Understanding Leviathan The Key To Apostle John's Revelation:

Understanding Leviathan Richard Lee, 2009-02 Understanding Leviathan is a study of the connection between a seven-headed sea beast with ten horns detailed in the Old Testament and the last book of the Bible Revelation. You will study clues that lead to unraveling the mystery behind what our future holds and how Leviathan is used to help others better understand prophecy. For the first time, Leviathan, a metaphor, can be understood. Leviathan is not an actual dinosaur, dragon, or animal, but in reality, it represents kings and kingdoms, power, and evil. Richard Lee has studied the book of The Revelation for over forty years and draws upon his in-depth knowledge of the last book in the Bible to relate modern-day events with the word of the Holy Scriptures, ultimately demonstrating how Leviathan represents kingdoms that are literal and used against the Jewish nation. For those who seek answers to many of the most complex spiritual questions, Lee teaches specifically about the truth of Leviathan and the harlot who rides the heads of this sea beast while also unveiling the kingdom that returns to dominate the world. The obscurity of the last two evil kings in Revelation. The true meaning behind the number 666. The ten horns that troubled the prophet Daniel. The destruction of world trade and the rise of a false religion. Understanding Leviathan and its careful examination of Revelation provides a greater understanding of the Biblical Scriptures and awakens all spiritual seekers to the sobering thought that when the end comes, being prepared, saved, and enduring in faith is the final test before God reclaims the earth.

Secrets of the Spiritual Matrix Harrell, 2008-03 Harrell exposes the difference between fallen angels and demons, the seven stages of spiritual growth, the seven mysteries of eternal success, the judgment seat of Christ, pretest the original creation and the restored earth, hidden identity of the dragon, keys that unlock spiritual enlightenment, and other topics in this work. Practical Life.

Revelation in Context Irene Belyeu, 2006 *To Thee Be the Kingdom, the Power, and the Glory* Dwayne Lesueur, 2018-04-07 We are living in the last hour. The plot thickens between the forces of light and darkness. Jesus' Victory is on the rise, and his victory is eminent. His era has begun. Jesus Christ has cracked open the code to the Abundant Life. He has abolished foes. He will obtain the kingdom, the power, and the glory that are rightfully his. He is a door; whoever enters him will be saved.

Behold, I AM Joyce Lynn Wulf, 2023-11-13 It was a childlike question, but the answer was as stunning as it was profound. If God is light, what do the primary colors of the rainbow's spectrum signify? The Gospel of John declares in eight mysterious signs that God is light, and Jesus Christ in the flesh was God sent to bring the light of true life to us. These enigmatic signs of light and semeion imply the eight signs' significance pointed to something other than what they appeared. The themes of John's eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH's covenant names. Behold, I AM is a rich, in-depth study into God's Holyday appointed times. His eight Festivals of Light: what they meant then, what they mean today, and how they are fulfilling prophecy.

Understanding Revelation William M. Templeton,2014-03 Most people who know anything at all about the Bible want to know more about the book of Revelation The Apostle John exiled on the isle of Patmos in his old age wrote down what the Lord Jesus revealed to him in a message concerning the events surrounding the end of the world as we know it However much of the book is difficult for people to understand There are three keys this author believes are essential for a solid and thorough understanding of Revelation First Revelation changes scenes quite often One moment John is speaking about something that is taking place on earth The next he is explaining something that is taking place in heaven The reader must know which scene is being discussed Second there are many symbols used in Revelation but each of those symbols are explicitly explained somewhere else in Scripture The reader does not have to come up with an explanation from the extravagant recesses of his imagination Third one should not make Revelation fit current events Rather put your trust in the Word of God and let current events come into place as the day of Jesus Christ approaches WILLIAM TEMPLETON has been pastoring churches for forty years He is married to the former Bonita Arlene Irby The Templetons have four grown children and ten grandchildren William Templeton attended Virginia Polytechnic Institute and State University from 1969 through 1972 He then transferred to what is now Liberty University where he majored in pastoral studies and theology For more than forty years Bill has been studying Scripture in an effort to bring the Word of God to every person in a clear and understandable fashion Other books by William Templeton How To Make Your Dating Years FUN The Chronology of the Revelation Clear Answers to Murky Questions Understanding Genesis Understanding Acts Volume One Understanding Acts Volume Two For more information and printed materials visit our website www.araratpublishing.com
