America in the British Imagination J. Lyons,2013-12-18 How was American culture disseminated into Britain Why did many British citizens embrace American customs And what picture did they form of American society and politics This engaging and wide ranging history explores these and other questions about the U S's cultural and political influence on British society in the post World War II period

Anti-americanism in Latin America and the Caribbean Alan McPherson,2006-03-01 Whether rising up from fiery leaders such as Venezuela's Hugo Chavez and Cuba's Fidel Castro or from angry masses of Brazilian workers and Mexican peasants anti U S sentiment in Latin America and the Caribbean today is arguably stronger than ever It is also a threat to U S leadership in the hemisphere and the world Where has this resentment come from Has it arisen naturally from imperialism and globalization from economic and social frustrations Has it served opportunistic politicians Does Latin

America have its own style of anti Americanism What about national variations How does cultural anti Americanism affect politics and vice versa What roles have religion literature or cartoons played in whipping up sentiment against el yanqui Finally how has the United States reacted to all this This book brings leaders in the field of U S Latin American relations together with the most promising young scholars to shed historical light on the present implications of hostility to the United

States in Latin America and the Caribbean In essays that carry the reader from Revolutionary Mexico to Peronist Argentina from Panama in the nineteenth century to the West Indies mid century independence movement and from Colombian drug runners to liberation theologians the authors unearth little known campaigns of resistance and probe deeper into episodes we thought we knew well They argue that for well over a century identifying the United States as the enemy has rung true to Latin Americans and has translated into compelling political strategies Combining history with political and cultural analysis this collection breaks the mold of traditional diplomatic history by seeing anti Americanism through the eyes of those who expressed it It makes clear that anti Americanism far from being a post 9 11 buzzword is rather a real force that casts a long shadow over U S Latin American relations What's behind all the Hate? The Truth about Arab/Islamic Antagonism towards the United States Michael Schmid,2012-06-26 Thesis M A from the year 2009 in the subject American Studies Culture and Applied Geography grade 2 3 Free University of Berlin John F Kennedy Institut language English abstract Abstract This paper is a critical analysis of potential Arab Islamic anti Americanism in Saudi Arabia Particularly the significance of the Gulf War of 1990 1991 and the resulting stationing of US troops inside the Saudi kingdom for the Arab Islamic anti Americanism will be analyzed Hereby this project seeks to investigate whether the reactions to the American presence in Saudi Arabia and the broader Arab Islamic region are of anti American nature or whether they reveal other proprieties With the help of various Arabic and American sources the research question is approached and compared from both sides The inclusion of Arabic sources of Saudi opposition leaders allows this paper to examine which leitmotifs dominate the discourse on American soldiers in Saudi Arabia Overall four main reactions are identified and discussed with the means of a qualitative analysis Foreigners and disbelievers in Saudi Arabia opposition to the Saudi royal family an exploitation of anti Americanism and a liberal movement The resulting main themes lead to this paper s thesis that an anti American characterization of the reactions to the American troop presence during the Gulf War is a questionable simplification of the situation **The Macro Politics of Anti-Americanism** Monti Narayan Datta,2009 **American Foreign Service Journal** ,2005 *Why America Is Such a Hard Sell* Juliana Geran Pilon,2007-01-18 History offers ample proof of AmericaOs pride and prejudice a twin handicap that prevents effective communication with the rest of the world Using literature political science philosophy and humor the book explores some of the reasons for AmericaOs current predicament It ends however on a positive note describing some heartening initiatives and expressing confidence in the sustaining power of the American spirit Dr Pilon s analysis should prove useful to scholars and practitioners indeed to anyone interested in improving the interaction between America and the world World Authors, 2000-2005 Jennifer Curry,2007 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author s principal works with date first published a list of major critical works and a portrait or photograph where available **Australasian**
