advice straight from the couples counseling room Eva A Mendes provides an insider's view into what couples and counselors can do to help make an ASD relationship last She outlines the challenges faced in an ASD relationship and provides strategies that can improve the lives and marriages of couples on a daily basis The ADHD-Autism Connection Diane Kennedy, 2009-01-21 At last long awaited answers to the questions you've been asking Help for frustrated ADHD patients and their families As well as those with autism PDD Asperger's syndrome and other related conditions Attention deficit hyperactive disorder ADHD is one of the most rapidly growing diagnoses of our generation Often the diagnosis fails to provide real help leaving patients doctors and families at a loss to know what to do next But for the first time ever new insights into the overwhelming number of similarities between Autism and ADHD are giving those with ADHD genuine hope For years the label of Autism has carried a negative connotation Parents were afraid to admit the diagnosis and banished the term from discussion Finally The ADHD Autism Connection gives parents educators and doctors a reason to embrace autism with a renewed sense of hope and understanding This book will show how these understandings can minimize the frustration misdiagnoses and misunderstandings ADHD sufferers and their families face *Metaphors, Narratives, Emotions* Stefán Snævarr, 2010 This book argues that there is a complex logical and epistemological interplay between the concepts of metaphor narrative and emotions They share a number of important similarities and connections In the first place all three are constituted by aspect seeing the seeing as or perception of Gestalts Secondly all three are meaning endowing devices helping us to furnish our world with meaning Thirdly the threesome constitutes a trinity Emotions have both a narrative and metaphoric structure and we can analyse the concepts of metaphors and narratives partly in each other's terms Further the concept of narratives can partly be analysed in the terms of emotions And if emotions have both a narrative structure and a metaphoric one then the concept of emotions must to some extent be analysable through the concepts of narratives and metaphors But there is more Metaphors especially poetic ones are important tools for the understanding of the tacit sides of emotions perhaps because of the metaphoric structure of emotions The notion that narrations can be tools for understanding emotions follows from two facts narrations are devices for explanation and emotions have a narrative structure Fourthly the threesome has an impact on our rationality It has become commonplace to say that emotions have a cognitive content that narratives have an explanatory function and that metaphors can perform cognitive functions This book is the first attempt to articulate the implications that these new ways of seeing the three concepts entail for our concept of reason The cognitive roles of the threesome suggest a richer notion of rationality than has traditionally been held a rationality enlivened with metaphoric narrative and emotive qualities Stefan Snævarr Reykjavik 1953 studied philosophy and related subjects in Norway and Germany Professor at Lillehammer University College in Norway he is the author of several books of various kind in English Norwegian and Icelandic **The Wisdom of Sam** Daniel Gottlieb, Ph.D., 2010-04-01 An irresistible invitation to seize the moment and awaken our minds to live life fully present Daniel J Siegel M D best selling author of

Mindsight In this heartfelt and generous book author Daniel Gottlieb shares life lessons taught to him by his eight year old grandson Sam Readers were first introduced to Sam in Letters to Sam which has been translated into 15 languages with more than 50 000 copies sold in the U S Now The Wisdom of Sam continues the extraordinary story of the interaction between a grandfather who is quadriplegic and a grandson who is autistic as they share their discoveries about empathy compassion courage happiness and the power of laughter Sam s uncommon perspective on the world and the remarkable way he expresses himself are the seeds of inspiration for his grandfather And the emotional connection between Daniel Gottlieb and his grandson provide a springboard for wonderful moments of reflection understanding and humor Sam s candid observations not only teach us what we ve forgotten but they also show us how to look at the world through a different lens Just as Sam s grandfather has found his world view forever changed by the wisdom of his grandson readers of The Wisdom of Sam will discover unforgettable messages of acceptance hope love and gratitude *Lexical Pragmatics and Theory of Mind* Sandrine Zufferey,2010 The concept of theory of mind ToM a hot topic in cognitive psychology for the past twenty five years has gained increasing importance in the fields of linguistics and pragmatics However even though the relationship between ToM and verbal communication is now recognized the extent causality and full implications of this connection remain mostly to be explored This book presents a comprehensive discussion of the interface between language communication and theory of mind and puts forward an innovative proposal regarding the role of discourse connectives for this interface The proposed analysis of connectives is tested from the perspective of their acquisition using empirical methods such as corpus analysis and controlled experiments thus placing the study of connectives within the emerging framework of experimental pragmatics
