Undone Michele Cushatt, 2015-03-10 Become empowered to face your own messy complicated life with fresh courage and bravery Undone is author Michele Cushatt's quest to make peace with a complicated life It is an honest confession of a diagnosis of cancer and the joys and disappointments of motherhood and marriage ripe with regret over what is and yet still hopeful for what could be With enough humor to ease the rawness of the story Undone takes you on a roller coaster two year journey through the unexpectedness of life A look back makes Michele long for a do over the chance to make fewer mistakes and leave less of a mess to clean up A look forward makes Michele wonder if all her attempts to control life have robbed her of the vibrancy of it And in the middle of this internal chaos she finds her once pristine house filled with the sights and sounds of three small uncontrollable children who just want to be loved In the end Undone turns complication into a beautiful canvas angst into joy and the unknown into an adventure revealing that sometimes life's most colorful and courageous stories are written right in the middle of the mess *Undone Is Beautiful* Michele Cushatt, 2015-12 Life seldom turns out like we imagine We try to make it everything we have dreamed it to be We work so hard to improve our marriages We exercise eat right and care for our health We parent with feverish desperation We read books go to conferences take notes and then try a bit harder But regardless of our efforts sometimes the unthinkable happens If you are at the end of your hope if you wake up and wonder how in the world you can go on with this unexpected life you've been given if you are tired of fear and desperate for a drowning of peace pull up a chair my friend You are not alone Filled with inspirational quotes this journal will encourage you to draw on the strength hope joy and peace that is found in God Believe it or not undone is beautiful
