Unholy Terror Bosnia Al Qaida And The Rise Of Global Jihad:

Unholy Terror John R. Schindler, 2007 The first full account of the role the Bosnian conflict and American policy played in the transformation of al Qaeda from a local terror into a global threat *Unholy Terror* John R. Schindler, Al Qaeda in the 80s they were in Afghanistan supported by America and fighting the Russians In the new century they have metastasized throughout the world's geopolitical body Where were they in the 90s *Unholy Terror* provides the answer with all its terrifying implications for our world today This book provides the missing piece in the puzzle of al Qaeda's transformation from an isolated fighting force into a lethal global threat the Bosnian war of 1992 to 1995 John R Schindler reveals the unexamined role that radical Islam played in that terrible conflict and the ill considered contributions of American policy to al Qaeda's growth His book explores a truth long hidden from view that like Afghanistan in the 1980s Bosnia in the 1990s became a training ground for the mujahidin *Unholy Terror* at last exposes the shocking story of how bin Laden successfully exploited the Bosnian conflict for his own ends and of how the U S Government gave substantial support to his unholy warriors leading to blowback of epic proportions **Terrorism, an Unconventional Crime** Vahab Aghai Ph.D, 2011-08-30 The terrorist attacks of 9 11 opened a window on a host of questions and assumptions about terrorism *Terrorism An Unconventional Crime* uses those questions and assumptions as a starting point to explore the history ideology movements leaders and modern methodology of what is in fact an ancient phenomenon Chapter topics include the following What Are the Historic Roots of Terrorism September 11 How Could It Happen Here Who Are the Taliban Is al Qaeda Taking Root in America What Are the Tactics of Terrorism Are Rebels Guerillas and Drug Cartels Terrorists Is Islam a Major Threat to Europe Can Terrorism Be Eradicated If Terrorism Is an Unconventional Crime What Are the Unconventional Solutions The book's principal focus is the current war on terrorism The book discusses the various reasons for conducting operations in Afghanistan and Iraq examines the tactics used and evaluates their effectiveness It devotes multiple chapters to the Taliban and al Qaeda allowing readers to distinguish between the two groups and their varying interests and motives There is also a detailed chapter long biography of the late Osama bin Laden One of the most important chapters is the one dedicated to the September 11 attacks The rapid narration of the timeline of events along with the descriptions of each of the nineteen hijackers and the modus operandi they used to succeed in the attack transports the reader back to that fatal day The gaps in the security system the near misses of local authorities the hijacker pilot who was a near no show the what ifs of the day are brought into sharp and painful focus Finally *Terrorism An Unconventional Crime* presents factual information to debunk the idea all too common in some circles that all Muslims are terrorists or potential terrorists The book cites a wide spectrum of studies ranging from statistical surveys of terrorist incidents to social demographics psychological profiles compilations of correspondence and the views of religious scholars specializing in many faiths The latter affirm that every faith has a fundamentalist wing that could be radicalized at any time This kind of approach is a hallmark of *Terrorism An Unconventional Crime* When dealing with

contemporary material the book carefully presents at least two different points of view usually starting with official government reports and then comparing and contrasting the opinions of various experts The object of the book is not to impose a particular viewpoint on readers but to inform and involve them in what for years to come will likely be an urgent and important issue

Warmonger Jeremy Kuzmarov, 2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband's support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton's Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton's foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan's two terms Clinton further expanded America's covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton's malign foreign policies and U S complicity in terrorist acts In so many ways Clinton's presidency set the groundwork for the

disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent
