

## ECONOMIE SOCIALE ET SOLIDAIRE : QUEL RÔLE POUR LA FRANCE DANS L'UNION EUROPÉENNE ?

### Situation européenne

L'économie sociale et solidaire (ESS) est une réalité européenne : Elle a été un facteur de croissance et d'emploi dans le passé récent. Elle procure 13,1 millions d'emplois dans l'Union Européenne, dont 12,5 millions d'emplois payés et le reste d'emplois bénévoles, soit resp. 19% (et 4,7%) de la population active de l'UE\*. La contribution de l'ESS au PIB européen est estimée entre 8 et 10%. L'emploi fourni par l'ESS dans l'Union Européenne s'est accru d'environ 20% entre 2002 et 2015, période ponctuée par une crise économique et sociale profonde pendant laquelle l'ESS a maintenu une forte résilience.

Les potentialités de l'ESS sont de plus en plus reconnues par les gouvernements européens. Sous présidence luxembourgeoise (2005), ont été adoptées des conclusions du Conseil sur l'ESS où tous les pays membres se sont engagés à développer des actions de soutien à l'ESS. Par vagues successives, certains pays membres ont rejoint un noyau dur d'états-membres prêts à jouer un rôle leader en Europe en faveur de l'ESS: 6 pays d'abord (déclaration de Luxembourg en 2005) et maintenant 11 pays (déclaration de Madrid en 2017). La France fait partie de ces pays avec l'Espagne, l'Italie, l'Allemagne, le Portugal, la Suède, la Grèce, la Slovaquie, la Slovaquie, etc.

## **Union Europ Enne Europe Sociale Solidaire:**

**The Principle of Solidarity** Eva Kassoti, Narin Idriz, 2023-02-13 This edited volume explores the principle of solidarity in international and EU law. Although the concept is regularly invoked in international and EU legal and policy debates alike its meaning, nature and functions as well as normative contours still remain nebulous. The contributions in this volume reflect on the legal trajectory of solidarity in international and EU law and offer unique insights into the evolution and status of the principle in different fields of international and EU law. By doing so the book also serves as a springboard for answering broader questions pertaining to what the stage of development of this principle may imply for the two legal orders and their interaction. As the chapters of this book show the debate on solidarity is premised on conflicting visions regarding the values underpinning the international legal order as well as the self interest or community oriented driving forces behind States' action at the international level. The regional EU law perspective offers a new lens through which to revisit classic questions pertaining to the nature of modern international law and to assess its continuing relevance in a world of regional organizations presenting different visions and levels of co operation. This book the second volume to appear in the Global Europe Series will appeal to international and EU law researchers and policy makers alike with an interest in the nature and function of the principle of solidarity in international and EU law. Eva Kassoti is Senior researcher in EU and International Law at the T M C Asser Institute in The Hague The Netherlands and the Academic Co ordinator of CLEER. Narin Idriz is Researcher in EU Law at the T M C Asser Institute in The Hague The Netherlands. *L'Europe sociale* Brigitte Favarel-Dapas, Odile Quintin, 2007 En d pit d une certaine lenteur des progr s de la construction europ enne en mati re de politique sociale un acquis r el s est constitu au fil du temps. In this sense they are snapshots of media socio cultural identities whose study is crucial for the understanding of media actions and interactions on the political stage. This book contributes to the study of media roles in politics with a methodological discursive communication identity framework and its application to a corpus of editorials. This allows for the definition of editorials as a genre and it reveals that thanks to a very adroit interweaving of their socio cultural identities news media can play a much more active role on the political stage than studies on framing and agenda setting.
