Transfiguration and Hope D. Gregory Van Dussen,2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God s ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself **Healing Haunted Histories** Elaine Enns,Ched Myers,2021-02-01 Healing Haunted Histories tackles the oldest and deepest injustices on the North American continent Violations which inhabit every intersection of settler and Indigenous worlds past and present Wounds inextricably woven into the fabric of our personal and political lives And it argues we can heal those wounds through the inward and outward journey of decolonization The authors write as and for settlers on this journey exploring the places peoples and spirits that have formed and deformed us They look at issues of Indigenous justice and settler response ability through the lens of Elaine s Mennonite family narrative tracing Landlines Bloodlines and Songlines like a braided river From Ukrainian steppes to Canadian prairies to California chaparral they examine her forebearers immigrant travails and trauma settler unknowing and complicity and traditions of resilience and conscience And they invite readers to do the same Part memoir part social historical and theological analysis and part practical workbook this process invites settler Christians and other people of faith into a discipleship of decolonization How are our histories landscapes and communities haunted by continuing Indigenous

dispossession How do we transform our colonizing self perceptions lifeways and structures And how might we practice restorative solidarity with Indigenous communities today New Common Lectionary for the United Methodist Church United Methodist Church (US),1990 **Revised Common Lectionary (1992) for the United Methodist Church** United Methodist Church (U.S.),1992 American Book Publishing Record ,2003 **Religious Books, 1876-1982** ,1983 Prepared by the R R Bowker Company s Department of Bibliography in collaboration with the Publications Systems Department Page opposite t p Includes indexes Author Index 3901 4069 Title Index 4071 4389 **The Hymn** ,2015 Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 **The Lectionary Series for United Methodist Worship** United Methodist Church (U.S.),1980
