Universes God Chronicles Angels:

The Universes God Twe Stephens,2015-12-08 No one will ever look at Heaven the same way again It was a place of total peace and brotherhood unbelievable technology and towering cities reaching miles into the sky Then there is the smart powerful misunderstood one that sends it all crashing down as war erupts and evil is birthed Billions of years before the birth of sin THE UNIVERSES OF GOD THE CHRONICLES OF THE ANGELS weaves a rich tapestry of the heartbreaking story of the incredibly powerful beings called Angels It unfolds the catastrophic upheavals that irrevocably altered the universe billions of years before the dawn of mankind Fasten your seat belts as you crash into the lies the six fingered two thousand pound Giants the real Adam and Eve and the insidious myth that religion is the foundations of all evil Sabbath after Sabbath year after year decade after decade you sit in the pews until you die never learning anything more than after the first year of being in the system listening to the same recycled sermons you know you ve heard before If you ve known there was much more to the Bible and God s history than the milk that s constantly offered then these series written in the vein of Paradise Lost is for you Immerse yourself in the horrific war between good and evil that culminated in the death of an entire universe See the whole of Heaven surge deceived as the Elect fight against the forces of darkness and war breaks after the greatest blasphemy Heaven would ever see You are there with the Angels the good and bad in Heaven and in Hades and throughout the great expanse that s called the Spirit World Expand your mind in a fictional bible based page turner in the vein of PARADISE LOST Sabbath after Sabbath year after year decade after decade you sit in the pews until you die never learning anything more than after the first year of being in the system listening to the same recycles sermons you know you ve heard before If you ve known there s much more to the bible and God s history than the milk that s constantly offered then this novel is for you You ll find you re more than you ve ever thought older than the stars and more precious individually than all the living things of the earth combined And more importantly there s still a powerful someone out there that still loves you endlessly

The Universes of God Twe Stephens,2009-05-06 For billions of eternities Heaven was a no want perfect society of peace and brotherhood unbelievable technology and towering cities reaching miles into the sky Then there was the smart powerful misunderstood one that sends it all crashing down as war erupts and evil is birthed

The Universe, Is It Guiding Our Lives? Fred Bonisch,2009-01-01 The question about whether the Universe is guiding our lives has remained a mystery throughout all the ages While scientific explorations have enabled us to venture far into space we have come to recognize a vastness that is well beyond our human imagination In spite of these enormous achievements we have not come upon other life outside our small planet Earth As the only known life supporting planet in the universe discovered thus far we should consider ourselves as unique and even special This then raises the question whether we are the creation of a divine plan and if we are meant to serve a greater purpose While we are limited to recognizing a physical world that exists around us this book looks beyond the physical and into the possibility of a spiritual existence within the universe Much of the world s

population believes in a higher being a divine creator a God This very idea provides us with a spiritual foundation from which we can venture into the silent but by no means lifeless realm of the universe While we may be unaware of our purpose for being here with any degree of certainty it should not deter us from attempting to explore this issue By assuming that we each have a purpose to fulfill should we be curious to know who out there determines this for each of us How are we guided along this path and what is our connection with these unseen forces The author attempts to explore this mystery based on both past and current practices within society By sharing from his own unique life s experiences he points to a possible spiritual intervention in our own daily lives While certainly not everyone may agree with the author s assumptions it should however leave the reader with a good deal of cause for thought

Athenaeum and Literary Chronicle ,1872 **The Freemason's Chronicle** ,1898 **Evangelical Magazine and Missionary Chronicle** ,1882 CHRISTIAN THEOLOGY R. A. Torrey,Edward D. Andrews,2022-07-17 Torrey and Andrews have taken deep theological subjects and made them easy to understand CHRISTIAN THEOLOGY What the Bible Teaches about God Jesus Christ the Holy Spirit Man Angels and Satan the Devil Torrey offers the readers a listing of propositions of what the Bible teaches in Theology and verses that support each statement while Andrews digs deeper into what the authors meant by their words *University of California Chronicle* ,1913 **Comfort** Ilia Kavaja,2016-03-30 Today more than ever before in human history the dependency for comfort along with the indispensable necessity of moral emotional and spiritual encouragement is in conflict with the iniquitous disposition of this present day society The spirit of this world continues to resist and debilitate the divinely instilled organic appetite that is part of human original nature personality and character Even though the surrounding world tries to convince us as if we are unlovable worthless and unforgivable this volume will inspire our sensibleness so as to persist with the needed confidence for finding or seeing the respectable extent of our own worth on the supreme pedestal of God s given image and moral strength We are exquisitely designed and divinely designated to remain everlastingly precious in love goodness and reassurance Even though our own heart tends to discourage and condemn us this comforting volume will empower our vision to discern the true meaning and purpose of human existence by authenticating the greatness of our value with eternity in view The structure of human nature character and personality would not be reliable pertaining to fundamental moral strength lasting comfort and true happiness unless exist a supreme purpose to appreciate the reason of holding on to such an objective In actual fact without this perpetual purpose along with love faith and hope that galvanize our mind heart and soul there would not dwell the needed optimism for the author to initiate such painstaking descriptive work with the view to put in paper the proceeding five volumes of Authenticity Comfort Love Perception and Dedication Divinity Paul Mukendi,2016-11-17 No book has ever attempted to deal with the subject of divinity in its entirety Here at long last is a comprehensive book dealing with divine beings in its complexity It provides the reader with accurate and insightful knowledge concerning the concept of divinity The author gives a clear explanation of the Triune nature of God God is one

being manifest and existing in three distinct identities or persons which is further discussed as being comparable with the makeup of a human being God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind The divine nature of God resides in all spirits Therefore men have Gods nature in their spirits they can communicate with and receive the things of the spiritual realm Through sin humanity has lost the nature of God for all have sinned and fall short of the glory of God The purpose of the Bible is to spiritualize humankind because we have fallen short of the glory of God The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ
