Ultimate Reset:

The Reset DAVID STEVENS,2011-11-04 If you suddenly discovered a reset button that if pushed would immediately undo all of your past mistakes and failures and would restore your current life to better circumstances would you be tempted to give it a try Most of us would but of course there is no such button However in THE RESET you will enjoy a 28 day journey that will enable you to reclaim the life that you should be living If you are ready for a fresh start now and a bright new hope for your future start today and read one chapter a day for the next 28 days Learn 7 life transforming Resets in 28 days and reclaim and finally live the life that God designed just for you THE RESET is both engaging and practical in its style but most importantly it works When you end this 28 day reset journey you will put down a book but you will wake up each day thereafter with a new mind set ready to go out every day and live your life with overflowing confident hope Here are just a few of the highlighted quotes For all of us life is a journey and we really want to give it our best shot every day Even though we can only see in part where our daily journey is taking us and what the cumulative outcomes will be we would like to feel good about our efforts and ourselves at the end of each day It is quite a game changer when we realize that God thinks about us quite differently than most of us think about ourselves No other healing of a broken relationship in life compares to the restoration of your friendship with God I firmly believe that most of our defeats and setbacks in life come because we do not diligently guard our hearts God never engineered your hope tank to be empty or even half full Instead He intends for you to max out and overflow with hope so that some of His hope will spill out on others around you No matter what start you had you can now have a great finish

Divine Reset Ella Sanvictores,2020-12-01 Thank you for getting a copy of my first published book Divine Reset After more than a year the 3rd edition is finally here Praise God for this book I initially released this last December 2020 fast forward to 2022 this book continues to minister to people not only through paperback but ebook as well As the author of this book I can confidently say that this is a more intense and more improved version of the original and I am so excited how this book will impact your life as it did hundreds of others in its first and second printing including my ebook readers It is not an accident that you are holding this book right now I believe God wants to do something new in your life and reset some areas of your life If this resonates with you I encourage you to keep reading Thank you in advance for trusting that this book will be an instrument to your life reset I am sharing with you a more amplified and revised message I wrote last year when I first released this book This book you re holding right now literally cost my life blood sweat and tears It took me a total of four months to produce this book from conceptualization to production via ebook and paperback It seemed like divine acceleration but it was actually about the year 2010 when the Lord gave the desire to write my own book I remember how much of a voracious reader I was back then when this desire and prayer was birthed in me and I still love to read up to now The production of this book was truly supernatural considering it was written and printed in the midst of the COVID 19 global pandemic that we are still experiencing up to now as of this printing we are now over two

years into this global pandemic Not to mention it was while writing this book when I experienced one of the most intense battles I have ever faced in my Christian life in my three decades of being a Christian I know there is an equivalent positive opposite breakthrough in store for you as my reader If only for this I know this book will be worth it as you read it and apply the Kingdom principles to your life from Isaiah 43 18 19 Forget the former things do not dwell on the past See I am doing a new thing Now it springs up do you not perceive it I am making a way in the desert and streams in the wasteland Through this book you will discover the three Rs for your Divine Reset based on Kingdom Principles and how you can apply them to reboot your life Learn how to RELEASE Let go of your past Release your sins and struggles to God Be set free REFOCUS See or perceive the New Thing that God is doing in and through your life Change your focus emphasis or direction RESTART Begin again and gain clarity and direction for your new beginning I know it is not an accident that I am finishing this book of all dates October 10 2020 10 10 has such a significant meaning for me coming from John 10 10 my life verse The thief comes only to steal and kill and destroy I have come that they may have life and have it to the full I declare this same verse for you that even if the enemy tried to steal kill and destroy people and things in your life that are dear to you that through this book you will encounter Jesus who came that you may have life and have it to the full Be excited and expectant about your new season after doing your prophetic gesture of reading this book God is already making a way and opening the streams for you in your wilderness What are you waiting for Let God divinely reset your life today through this book Blessings Ella
