Umweltrecht Verwaltung German Heinz Joachim Peters:

On the Fourth Industrial Revolution: Legal Perspectives from Germany and South Africa Thomas M.J. Möllers, Kathleen Van der Linde, 2024-10-30 Based on collaboration between the law faculties of the University of Augsburg and the University of Johannesburg this book focuses on legal developments relating to the Fourth Industrial Revolution in South Africa and Germany and the European Union more broadly Written in the aftermath of the Covid 19 pandemic which has given impetus to digital and other technology driven innovations it pays particular attention to the aspects of digitalisation artificial intelligence and data protection in various contexts including international sales law labour law medical law and environmental law The chapters reflect critically on legal and other developments to determine their appropriateness impact and long term viability in the digital age Other significant topics covered in this book include human rights in an increasingly globalised world of business climate change and the war between Russia and Ukraine Focusing on legal aspects and applicable frameworks the chapters dealing with these topics clearly encourage an appreciation for the ideals of accountability fairness peace and security Undoubtedly this book is a timely and appropriate collection of research on fundamental developments and problems facing our world today It is recommended reading for those interested in legal perspectives on important developments in the era of the Fourth Industrial Revolution
