Un Orthodox Church Hip Hop Culture:

Un.orthodox Tommy Kyllonen, 2007 Written by a man who is both a hip hop artist and lead pastor of a church that targets hip hop culture *Un.orthodox* shares unique inside perspectives on how to reach today's urban culture with the message of Jesus

Un.orthodox Tommy Kyllonen, 2009-08-30 From its roots in the South Bronx over thirty years ago hip hop has swept across continents and oceans shaping the music and mores of urban culture It is more than just music Hip hop is a lifestyle that encompasses attitude fashion and a largely counter Christian worldview Transcending ethnic geographic generational and economic barriers hip hop places one of the church's biggest mission opportunities right outside our windows *Un.orthodox* equips church leaders and parents alike to understand and engage a culture that is as near as our schools our communities and even our homes Author Tommy Kyllonen has seen hip hop from the inside as a recording artist as well as through the eyes of a pastor whose congregation has set the model for a groundswell of young urban churches focusing on hip hop culture Offering unique perspectives on the history current state and future of the hip hop movement Kyllonen shows what a hip hop targeted ministry can look like in worship outreach evangelism service and discipleship Using his own story as an example Tommy shows how you can combine the hip hop culture with faith

The Black Church and Hip Hop Culture Emmett G. Price III, 2011-11-10 Throughout the 1950s and 1960s the Black Church stood as the stronghold of the Black Community fighting for equality and economic self sufficiency and challenging its body to be self determined and self aware Hip Hop Culture grew from disenfranchised urban youth who felt that they had no support system or resources Impassioned with the same urgent desires for survival and hope that their parents and grandparents had carried these youth forged their way from the bottom of America's belly one rhyme at a time For many young people Hip Hop Culture is a supplement or even an alternative to the weekly dose of Sunday morning faith In this collection of provocative essays leading thinkers preachers and scholars from around the country confront both the Black Church and the Hip Hop Generation to realize their shared responsibilities to one another and the greater society Arranged into three sections this volume addresses key issues in the debate between two of the most significant institutions of Black Culture The first part From Civil Rights to Hip Hop explores the transition from one generation to another through the transmission or lack thereof of legacy and heritage Part II Hip Hop Culture and the Black Church in Dialogue explores the numerous ways in which the conversation is already occurring from sermons to theoretical examinations and spiritual ponderings Part III Gospel Rap Holy Hip Hop and the Hip Hop Matrix clarifies the perspectives and insights of practitioners scholars and activists who explore various expressions of faith and the diversity of locations where these expressions take place In *The Black Church and Hip Hop Culture* pastors ministers theologians educators and laypersons wrestle with the duties of providing timely commentary critical analysis and in some cases practical strategies toward forgiveness healing restoration and reconciliation With inspiring reflections and empowering discourse this collection demonstrates why and how the Black Church must re engage

in the lives of those who comprise the Hip Hop Generation **The Oxford Handbook of Religion and the Arts** Frank Burch Brown, 2018 This volume offers 37 original essays from leading scholars on the crucial topics issues methods and resources for studying and teaching religion and the arts Intergenerational Catechesis timone a davis, 2021-03-12 In this work the author moves away from youth centered catechesis toward a catechetical method that gets at the heart of faith formation for ALL generations storytelling In the African American storytelling tradition both the storyteller and listener are important they embody the story What happens in the story exchange process is the discovery of connections The author s method of African American storytelling My Story Your Story brings to life the Christian story through our shared experiences Intergenerational catechesis invites us to see ourselves and one another across time through eyes that are young middle aged and elderly Based on an understanding of family intergenerational catechesis moves away from the domestic church as a starting point for growing in faith to the community as a starting point Where the domestic church focuses on those who live in the household intergenerational catechesis focuses on everyone in the Church community single persons divorced persons widows widowers teens young adults pre school and elementary children parents grandparents aunts and uncles In highlighting our connections we are better able to see ourselves and one another differently When we see ourselves and others transformed faith is revitalized Rap With a Mission: How Rap & Hip-Hop can be used in Missions and Evangelism Joseph George a.k.a Joey.G, 2016-06-12 This Book explores the History behind Rap and Hip Hop in the Christian and Non Christian World It describes how Hip Hop has strongly influenced and shaped Global Youth Culture and how it plays out in Post Modernism It importantly shows how Christians are using it to communicate the Gospel in Missions and Evangelism **Urban God Talk** Andre E. Johnson, 2013-08-28 Urban God Talk Constructing a Hip Hop Spirituality edited by Andre Johnson is a collection of essays that examine the religious and spiritual in hip hop The contributors argue that the prevailing narrative that hip hop offers nothing in the way of religion and spirituality is false From its beginning hip hop has had a profound spirituality and advocates religious views and while not orthodox or systemic nevertheless many in traditional orthodox religions would find the theological and spiritual underpinnings in hip hop comforting empowering and liberating In addition this volume demonstrates how scholars in different disciplines approach the study of hip hop religion and spirituality Whether it is a close reading of a hip hop text ethnography a critical studies approach or even a mixed method approach this study is a pedagogical tool for students and scholars in various disciplines to use and appropriate for their own research and understanding Urban God Talk will inspire not only scholars to further their research but will also encourage publishers to print more in this field The contributors to this in depth study show how this subject is an underrepresented area within hip hop studies and that the field is broad enough for numerous monographs edited works and journal publications in the future The Guardian Line--Joe & Max, Vol. 1 No. 2 , **A Heart for the Community** John Fuder, Noel Castellanos, 2013-08-28 Our nation used to look at violence poverty and gentrification and assign those problems to urban centers Today these issues

concern the suburbs too The Christian community is responding to this reality Churches and parachurch ministries are actively working to transform lives and restore communities throughout the city and suburbs In *A Heart for the Community New Models for Urban and Suburban Ministry* you will be challenged by a collection of voices seeking community renewal These individuals are involved in creative church planting initiatives and they are serving the growing Hispanic and Muslim populations Additional endeavors include serving racially changing communities economic development strategies and more As anyone who has been in ministry for any length of time can attest tackling some of the most challenging issues of our times is no mere academic exercise The voices within these pages write from experience and offer workable vibrant models of ministry that make a difference **The Guardian Line--Code, Vol. 1, No. 2 , The New Conspirators** Tom Sine,2009-10-25 If you have faith as small as a mustard seed Jesus says in the Gospel of Matthew nothing will be impossible for you That sounds good but does it work in a world where seeds are genetically altered by an impatient few and hard to come by for countless others In a world where the gulf between the very rich and the profoundly poor is constantly growing can a mustard seed faith make any difference And can such a little bit of faith be sustained in a world whose future is so uncertain on so many fronts Tom Sine says yes and he has the audacity to try to prove it in his latest book In *The New Conspirators* Tom surveys the landscape of creative Christianity where streams of renewal are flowing freely from diverse sources The emerging church Contemporary monastic movements The missional church The mosaic movement Individuals and communities of faith are coalescing in and drawing energy from these four streams to retrofit the church as it leads serves and gives witness to the kingdom of God in the turbulent times facing us Read the book and you ll want to and be prepared to join God s conspiracy to create a better future **The Guardian Line--The Seekers, Vol. 1, No. 1 ,**
