Unabridged Christianity Biblical Answers To Common Questions About The Roman Catholic Faith:

Unabridged Christianity Mario P. Romero,1999 This book is an attempt by Fr Romero to share some of the scriptural and historical evidence that the contemporary Roman Catholic Church and the Apostolic Church founded by Jesus Christ circa 30 A D are one and the same Using some of the commonly heard misconceptions about the Catholic Faith as points of departure Fr Romero examines various key passages from Scripture looks at historical documentation found in secular sources and at the end of each chapter presents quotes from the writings of the first generations of Christians to show that modern day Catholic beliefs and practices have solid precedence in the beliefs and practices of the early Church **Dear**

Brother Brian Roberts,2006-06-01 Dear Brother is a fresh compilation of Catholic Apologetics targeted toward non Catholic Christians However the book was especially written for Catholics who have found themselves in RCIA programs against the wishes of Protestant friends and family It contains an exhaustive biblical defense of essential Catholic doctrines a glimpse of the general councils in Church history and the author s own conversion story It is difficult to find so much material packed into one easy to read volume Dear Brother manages this in a way that is both personal and compelling A real page turner for anyone interested in Catholicism FEATURES the author s personal testimony a summary of each ecumenical council a list of the popes over twenty articles on saints suggested reading and resource lists quotes from the early Church HUNDREDS of Scriptural references **Subject Guide to Books in Print** ,2001 **The Wisdom of the Word** Matthew

Levering,Michael Dauphinais,2021 Why believe God exists or believe Jesus is God Why listen to the Catholic Church Why is the Church so strict about sex Questions like these have propelled a crisis of disaffiliation and disbelief among Catholics in recent decades Half of millennial Catholics have turned their backs on the Church and at many churches only a minority of parishioners believe in all of its teachings about faith and morality Building on the call of the Second Vatican Council for a greater appreciation of Scripture The Wisdom of the Word invites Catholics who are thinking about leaving the Church or who are confused about elements of Catholic faith and practice to pause and give the Bible a chance to illuminate their way From the infighting among the Catholic faithful to the sins of Catholic leaders and from Christ s sacrifice on the cross to the Church s emphasis on caring for the poor theologians Michael Dauphinais and Matthew Levering explore common challenges to the faith in light of the timeless insights of the Word The prayerful reading of God s Word Pope Francis reminds us which is sweeter than honey yet a two edged sword enables us to pause and listen to the voice of the Master It becomes a lamp for our steps and a light for our path Do you or does someone you know think that certain elements of the Catholic faith just don t make sense If so the ancient wisdom of God s Word sweeter than honey and sharper than a sword awaits **Books In**
