Dumbfounded Praying Harold M. Best, 2011-01-01 Dumbfounded Praying is a book of no limits uninhibited praying dumfounded praying It is a confessing book an idea book a wrestling and praise filled book and like the Psalms intensely personal but certainly not private These prayers are for everybody who is thirsty and hungry who doubts who might be unsure of the value of prayer they are for anybody who wants to question confess praise lament imagine and speculate This book is open to all who love the richness of speech with God and want his everlasting richness to flood their minds hearts and circumstances in return Prayer is more than a narrow tidied list of proper things to talk to God about Nothing is off limits with God for he intimately knows what fills our minds stirs in our hearts and frames our circumstances God invites us to talk everything over with him honestly fearlessly even imaginatively Out of sheer love God has eternally befriended himself to us and asks us into his confidence and in turn invites us to confide freely in him God wants us to know that while we would rather talk than listen he always listens before he talks and when he does it is always with his Word strongly yet sweetly offered to us by his Spirit and made eternally sure by his Son This Word is inevitably filled with mercy love grace forgiveness correction and unblemished wisdom

Georg Feuerstein *The Influence of Harold Best's Music Through the Eyes of Faith and Unceasing Worship on Select Worship Authors and Educators* Elissa Hope Keck Hodge, 2020 This dissertation examines the impact of Harold Best's *Music Through the Eyes of Faith* 1993 and *Unceasing Worship: Biblical Perspectives on Worship and the Arts* 2003 on seven representative worship authors and educators Through interviews and close examination of their writings, lectures, and philosophies, the impact of Best's primary arguments is traced His main positions are 1 that human creativity is rooted in the doctrines of common grace and the creation of humankind in the imago Dei 2 that worship which is either biblical or idolatrous is an inherent activity of all humans and 3 that music is amoral a premise upon which he builds his advocacy of musical pluralism in worship and in the Christian life Following the introduction to the research problem in chapter 1, chapter 2 presents an overview of the leading philosophies of music from both secular and Christian thinkers between 1940 and c 1990 as a backdrop against which to view Best's own philosophy of music, worship, and the arts A survey of the evangelical worship landscape is offered in chapter 3, highlighting major changes in worship philosophy and praxis in the 1940s on through the 1990s Chapter 4 contains a professional biography of Best, noting specific experiences that influenced the development and articulation of his thought with reference to Nyack College, Wheaton College, the National Association of Schools of Music, colleagues, and his work as a composer An exposition and critique of Best's books is offered in chapter 5 Through interviews and close examination of their writings, chapter 6 traces the impact of Best's books on seven representative worship authors and educators: Bob Kauflin, Barry Liesch, David Music, Michael Card, Mike Cospers, D. Clark Measels, and Joseph Crider Chapter 7 concludes the dissertation summarizing the main areas of Best's impact

The Unveiling R. Jeff Collene, 2023-08-04 Applying all seven keys introduced in Book 1 of *The Unveiling: The Book of Sevens*, we now open *The Seven Visions*, revealing seven facets of a comprehensive revelation The goal is to bring understanding to the Book of Revelation that is readable, devotional, and applicable The intent is to bring hope and light on this perplexing and rarely taught book The Revelation is not intended to be an indecipherable enigma; it is not meant to puzzle and bewilder but to disclose God's plan, purpose, and provision to His bond servants Therefore, to that end, the purpose is to bring the author's comments on each facet of The Revelation to the reader with these goals in mind The Book of Revelation is unveiled as a seven-faceted jewel The seven visions of the Book of Revelation open to God's bond servants the insight and encouragement needed to persevere until He comes It reveals the fulfillment of old testament prophecy with Israel's Great Day of the Lord in 70 AD, while in these same visions, it reveals the cataclysmic end of this age These two tracks

of judgment bring to a conclusion the former days and introduce these last days as prophetically revealed throughout Scripture Blessed is he who reads and those who hear the words of the prophecy and heed the things which are written in it for the time is near Revelation 1 3
