Uncompromised Faith Overcoming Our Culturalized Christianity:

Uncompromised Faith S. Michael Craven, 2009 Craven argues that culture has made Christianity irrelevant in society Here he helps readers break free from cultural conditions to examine the acceptance of the Gospel and the mission of the church in America

Cultural Apologetics Paul M. Gould, 2019-03-12 Renewing the Christian voice conscience and imagination so that we can become compelling witnesses of the Gospel in today's culture Christianity has an image problem While the culture we inhabit presents us with an increasingly anti-Christian and disenchanted position the church in the West has not helped its case by becoming anti-intellectual fragmented and out of touch with the relevancy of Jesus to all aspects of contemporary life The muting of the Christian voice its imagination and its collective conscience have diminished the prospect of having a genuine missionary encounter with others today Cultural apologetics attempts to demonstrate not only the truth of the Gospel but also its desirability by reestablishing Christianity as the answer that satisfies our three universal human longings truth goodness and beauty In Cultural Apologetics philosopher and professor Paul Gould sets forth a fresh and uplifting model for cultural engagement rooted in the biblical account of Paul's speech in Athens which details practical steps for establishing Christianity as both true and beautiful reasonable and satisfying You'll be introduced to The idea of cultural apologetics as distinct from traditional apologetics The path from disenchantment with how we understand reality to re-enchantment with the reality of the spiritual nature of things The practical tools of good cultural engagement conscience reason and imagination Equip yourself to see and help others see the world as it is through the lens of the Spirit deeply beautiful mysterious and sacred With creative insights Cultural Apologetics prepares readers to share a vision of the Christian faith that is both plausible and desirable offering clarity for those who have become disoriented in the haze of modern Western culture

The Affirmation Crisis Randy Hix, 2018-08-28 There is an Affirmation Crisis It is the result of fatherlessness Generations have grown up without a father Whether physically or emotionally absent it leaves in the child a wound of absence Fatherlessness has become a major social problem in America even an epidemic with approximately 50% of children under the age of 18 not living in the same home as their biological father It has been documented in many ways and yet it is a secret hidden in plain view Over the last fifty years the family has been under attack Concepts and opinions concerning the family have changed and a new perception of family has emerged Much of the destruction of the family has been popularized and normalized through the media and arts and entertainment The large percentage of marriages that end in divorce and the increasing trend of out-of-wedlock births seems to have contributed to a widespread belief that being a single parent is somehow a noble venture and that the father is unimportant to raising children There are indeed many exceptional single parents But these are the exceptions to the rule as statistics prove It is as if there were a systematic scheme in the works to destroy our society by using progressive cultural engineering The influence of popular approaches to the family in the media that rejects traditional and biblical norms of family construction is creating a confused depressed and

fractured population Men and women with a confused self identity and self confidence are the product of this fatherlessness epidemic and this affirmation crisis Today after over a hundred years of cultural fatherlessness we have seen multiple generations who have grown up without the father s emotional and often physical influence and support Combine that with two world wars economic challenges media influence rising divorce rates sexual identity conflict and you are left with a generation of wandering fatherless children Many of these fatherless children are wounded adults who continue to live their lives not knowing that they are suffering from the wound of absence referred to as the father wound The father wound in short is the absence of the emotional blessing that only the father can provide to the child One of the major responsibilities of the father is the modeling and impartation of true fatherhood A father is the God given instrument that identifies the child as well as gives the child a sense of self and self confidence This is true for both men and women Every young man is waiting for his father to tell him he has what it takes Every young woman is waiting for a father to show her that she is beautiful and worthy to be pursued and protected Every young man looks to his father for affirmation and identity Every young girl is looking to the father for her identity and affirmation as a woman The father identifies the child The father calls forth the masculine in the son and the femininity of the daughter Without this essential input from Dad the boy struggles to see himself as a man and the girl struggles to identify as a woman Their spirit cries out for a father to save them Our fathers have a special role to play in our discovery of who we are in life This is why a father telling his child a statement like You ll never amount to anything has such a devastating effect On the other hand a father who lovingly affirms his child is giving him a solid foundation towards developing into a healthy well adjusted adult In *The Affirmation Crisis* Pastor Teacher and Missionary Randy Hix details the serious impact this fatherlessness epidemic is having on our society and individuals Randy explains our Heavenly Father s original plan for the family and how to receive the needed affirmation and healing needed to mend the wounded heart

CHRISTIANS AND ECONOMICS Kerby Anderson, 2016-07-27 Economics affects our daily lives and Christians need to think about how to apply biblical principles to money investment borrowing and spending They also need to understand the free enterprise system and know how to defend capitalism Chapters in this book not only look at broad economic principles but a section of the book is devoted to the challenges we face in the 21st century from globalization and tough economic times A section of the book also provides an in depth look at other important social and economic issues gambling welfare that we face every day Some questions that Anderson will answer are What does the Bible say about economics How should Christians think about work How should the government deal with poverty Is America going broke How can we find financial security Are we headed down the road to serfdom How are we affected by materialism and consumerism

illuminates the dimensions of a largely unheralded gospel message characterized by unimpeded faith that fully accords with the kingdom Jesus stridently proclaimed It outlines the dimensions of faith freed from the disappointing forms of culturalized Christianity that always prove insufficient on a personal level and woefully inadequate to the demands of contemporary life within our globalizing world Today s world can only be effectively impacted through a gospel without borders a compelling gospel most Americans have yet to hear and too many Christians of every cultural and denominational background have yet to fully embrace

The Cultural Subversion of the Biblical Faith James D. Smart,1977-01-01 **The Unsaved Christian** Dean Inserra,2019-03-05 What to do when they say they re Christian but don t know Jesus Whether it s the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord we ve all encountered cultural Christians They d check the Christian box on a survey they re fine with church but the truth is they re far from God So how do we bring Jesus to this overlooked mission field The Unsaved Christian equips you to confront cultural Christianity with honesty compassion and grace whether you re doing it from the pulpit or the pews This practical guide will show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy to understand advice about VBS holiday services reaching good people and more If you ve ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus this book is for you Learning from the Stranger

David Smith,2009-06-09 Cultural differences increasingly impact our everyday lives Virtually none of us today interact exclusively with people who look talk and behave like we do David Smith here offers an excellent guide to living and learning in our culturally interconnected world Learning from the Stranger clearly explains what culture is discusses how cultural difference affects our perceptions and behavior and explores how Jesus call to love our neighbor involves learning from cultural strangers Built around three chapter length readings of extended biblical passages from Genesis Luke and Acts the book skillfully weaves together theological and practical concerns and Smith s engaging readable text is peppered with stories from his own extensive firsthand experience Many thoughtful readers will resonate with this insightful book as it encourages the virtues of humility and hospitality in our personal interactions and shows how learning from strangers not just imparting our own ideas to them is an integral part of Christian discipleship **Playing Favorites** Rodger

Woodworth,2021-11-30 According to recent research our brains prefer the path of least resistance when it comes to engaging people who are unlike us in fact our brains tell us to perceive anyone different than us as a threat That is a nice way to say that despite our best intentions we all have our prejudices and preferences In biblical terms we show partiality toward people who resemble us we play favorites Much of our identity community and power are established by the measurement of our differences from others justifying our need to categorize people Even when we attempt to engage other races and cultures we see it as a one way bridge taking our way of life across the river to enlighten those different than us It assumes we are on the bank of the undistorted view of the world and our understanding of the other side is not important

The proper response is to encourage two way traffic on the bridge not only by having dialogue with people over the bridge but more importantly listening to them Overcoming our prejudices and bridging the cultural divide is the result of living out the gospel and it is the most significant way to communicate the gospel *Becoming All Things* Michelle Reyes,2021-04-27 WINNER OF THE 2022 ECPA CHRISTIAN BOOK AWARD FOR NEW AUTHOR Healthy relationships across cultures are possible Dr Michelle Reyes takes a close look at the concept of cultural accommodation found in Scripture and especially in the letter of 1 Corinthians to redefine how Christians interact with cultural narratives that are different from their own Christians whose standard of living is oneness in Christ whose gospel is radically nonexclusive should be at the frontlines of justice and of cross cultural unity But many of us struggle to reach outside of our own cultural bubbles and form real relationships that move beyond stereotypes and lead to understanding healing and solidarity across cultural lines Why is that Why is it so difficult to reconcile our call to be united in Christ with a celebration of different cultural expressions What are the reasons for cultural differences and how do they so often lead to stereotyping appropriation gentrification racism and other forms of injustice What does the Bible say about human beings as cultural image bearers How do we reevaluate our awareness of culture identity in a healthy and constructive way These are just some of the questions that Dr Reyes explores as she faces the challenges surrounding cross cultural relationships in America today and her thoughts on the way forward Spoiler Alert The way forward does require willingness to change It requires embracing cultural discomfort But by engaging with this book you will be empowered to learn how to become all things to all people that is how to reflect Jesus love in a multicultural multiracial body of Christ and to share that love with a hurting world **Liberating Christianity** Thomas C. Sorenson,2008-11-01 Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith s loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers a different understanding of the faith It begins with a discussion of the universal human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of

Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus's teachings of nonviolence economic justice and radical inclusivity

We Will Not Be Silenced Workbook Erwin W. Lutzer, 2021-09-07 If I could I would put *We Will Not Be Silenced* into the hands of every Christian in America Dr David Jeremiah In *We Will Not Be Silenced* 200 000 copies sold author and pastor Erwin Lutzer unraveled the complex threats faced by Christians in a society that has weaponized race gender sexuality and more to divide individuals and undermine freedom Now with this companion guide you'll dive deeper into the biblical perspectives on today's controversial issues learning how you can best respond to cultural hostility with Christlike strength and compassion Whether you're reading individually or with a group this workbook will help you appreciate God's unchanging truth in an era of dissent and deteriorating standards identify and reject secular perspectives and pressures from both outside the church and within that have crept unnoticed into your life commit yourself to action and prayer as you testify of Jesus' love in a world that denies Him You are not alone in fighting this battle This workbook will encourage you to continue standing boldly for your faith and enrich your understanding of how to do so effectively

[Losing Religion, Finding Jesus](#) Matthew E. Ferris, 2019-08-21 Religion tells us things like these are important and as long as we are trying our best that's really what matters Since God is loving that's all he asks of any of us in order for us to go to heaven one day This book looks at the differences between cultural Christianity and true faith go on to trust the Lord Jesus and be transformed

The Culturally Savvy Christian Dick Staub, 2008-09-09 In *The Culturally Savvy Christian* his incisive critique of contemporary culture and religion Dick Staub concludes that though it is influential American popular culture is generally superficial diversionary mindless and celebrity driven spiritually delusional moralistic therapeutic and deistic and soulless sustained not by art craft and ideas but by the mad pursuit of profit propped up by marketing and technology Similarly American Christianity has devolved into its own mindless diversionary and celebrity driven superficiality Because humans are created in God's image with spiritual intellectual creative moral and relational capacities we long for more yet the true seeker faces the lose-lose alternatives of a soul-numbing culture and a vacuous Christianity lite The renaissance we need in both faith and culture will originate in a deep spiritual renewal that restores God's image in us and creates a new breed of culturally savvy thoughtful creatives who rekindle the spiritual intellectual and creative legacy of Christians as enrichers of culture

We Will Not Be Silenced Erwin W. Lutzer, 2020-11-03 If I could I would put this book into the hands of every Christian in America Dr David Jeremiah Be strong and courageous Do not be frightened and do not be dismayed for the LORD your God is with you wherever you go Joshua 1:9 Each day you watch America turn further from Christian values and the core principles of liberty It's frustrating to feel you can't assert biblical truth without facing condemnation and fearful to witness outrage and victimhood replace respect and reason Amidst this dissent how can you not only stay rooted in your own faith but continue publicly testifying for Jesus In *We Will Not Be Silenced* Dr Erwin W Lutzer

prepares you to live out your convictions against a growing tide of hostility Gain a better understanding of nonbelievers legitimate hurts and concerns regarding issues like racism sexism and poverty and identify the toxic responses secular culture disguises as solutions In the process you ll see how you can show compassion and gentleness to those outside of the faith without affirming their beliefs We Will Not Be Silenced will ready you to move beyond fear and boldly accept the challenge of representing Christ to a watching world that needs Him now more than ever before *Cultural Christianity*

Andrew McKinney, 2023-05-03 There is a messy secret within the Western evangelical church and it is starting to get out We re not who we think we are and it is becoming painfully obvious to the rest of the world around us The secret We have abandoned the preaching of the true gospel and as a result admitted thousands of people into our local assemblies who are lost and dead in their sin This has landed the evangelical church in utter ruin and devastation Rather than hearing the cross and the gospel of Christ proclaimed in our churches we now hear the relative gospel a gospel of ceremonial works that cannot save anyone And we are facing judgment because of this Scandals wreck whole denominations Sin plagues our congregations and pulpits People remain dead in their sin and the testimony of Christ suffers shame The church is now almost indistinguishable from the secular culture that we are called to reach We have wholly embraced cultural Christianity It is time to face the ugly truth in the mirror and return to the preaching of the true biblical gospel as revealed in Holy Scripture We must return to preaching the fundamental truths of God s Word God is holy in His righteousness Man is dead in his sin and incapable of saving himself Hell awaits any who would dare to trust in anything other than Christ to save them for He alone is our atonement and propitiation Trusting in His death and resurrection is the only means of salvation from sin and hell We must call people to repent of their sin submit to Jesus as Lord trust in Him alone and follow Him It is time to condemn the relative gospel in all of its forms for what it is a false gospel Salvation is not found in a ceremonial ritual politician political party or ideology It is found in Christ alone We must repent turn back to the Bible preach it unashamedly and trust God alone to save It is time to condemn cultural Christianity
