## **Under The Bus How Working Women Are Being Run Over:**

**Under the Bus** Caroline Fredrickson, 2010-01-12 Did you think you knew the facts about women and work Think again a terrific book utterly gripping Peter Edelman author of So Rich So Poor For women in professional and corporate jobs much of the discrimination and inequity faced in the past has been confronted and at least to some extent conquered But the fact is that we have a two tiered system where some working women have a full panoply of rights while others have few or none at all We allow blatant discrimination by small employers Domestic workers are cut out of our wage and overtime laws Part time workers disproportionately women are denied basic benefits Laws have been written through a process of compromise and negotiation and in each case vulnerable workers were the bargaining chip that was sacrificed to guarantee the policy s enactment For these workers the system that was supposed to act as a safety net has become a sieve and they are still falling through Caroline Fredrickson is a powerful advocate and DC insider who has witnessed the legislative compromises that leave out temps farmworkers staff at small businesses immigrants and others who fall outside an intentionally narrow definition of employees The women in this fast growing part of the workforce are denied minimum wage maternity leave health care the right to unionize and protection from harassment and discrimination all within the bounds of the law If current trends continue their fate will be the future of all American workers An informative occasionally shocking exploration of the state of women s rights in the workplace Kirkus Reviews **Feminism, Dramaturgy, and the Contemporary**

**British History Play** Rebecca Benzie, 2024-08-22 When we think of the contemporary British history play why might we automatically think of playwrights such as David Hare Howard Brenton Peter Gill and Edward Bond Because for decades the writing of the history play has been the preserve of the white male This book provides a vital feminist intervention into the dramaturgy of history plays investigating work produced at major British theatres from 2000 to the present written by a generation of innovative women playwrights This much needed study explores the use of history specifically Elizabethan Restoration Victorian and early 20th century in contemporary playwriting in order to interrogate the gender politics of this work Within the framework of contemporary feminism including the pivotal MeToo movement the book looks at post 2000s feminist drama that somehow represents the past Through delving into the recurring tropes and their politics in the light of current feminist debate the author helps us grasp how these plays essentially re imagine gender politics Plays that are considered include Emilia Morgan Lloyd Malcolm Swive Elizabeth Ella Hickson An August Bank Holiday Lark Deborah McAndrew The Empress Tanika Gupta Red Velvet Lolita Chakrabarti Scuttlers Rona Munro I Joan Charlie Josephine Blue Stockings and Nell Gwynn Jessica Swale and the musical Six Toby Marlow and Lucy Moss **Sexual Harassment** Merril D. Smith, 2020-03-19 Providing an indispensable resource for students investigating sexual harassment in the United States Sexual Harassment A Reference Handbook is a comprehensive summary of history current events possible solutions and resources Sexual Harassment A Reference Handbook provides readers with a comprehensive overview of the topic and

*Because of Sex* Gillian Thomas, 2016-03-08 Meticulously researched and rewarding to read Thomas is a gifted storyteller The New York Times Book Review Best known as a monumental achievement of the civil rights movement the 1964 Civil Rights Act also revolutionized the lives of America's working women Title VII of the law made it illegal to discriminate because of sex But that simple phrase didn't mean much until ordinary women began using the law to get justice on the job and some took their fights all the way to the Supreme Court Among them were Ida Phillips denied an assembly line job because she had a preschool age child Kim Rawlinson who fought to become a prison guard a man's job Mechelle Vinson who brought a lawsuit for sexual abuse before sexual harassment even had a name Ann Hopkins denied partnership at a Big Eight accounting firm because the men in charge thought she needed a course at charm school and most recently Peggy Young UPS truck driver forced to take an unpaid leave while pregnant because she asked for a temporary reprieve from heavy lifting These unsung heroines' victories and those of the other women profiled in Gillian Thomas' *Because of Sex* dismantled a *Mad Men* world where women could only hope to play supporting roles where sexual harassment was just the way things are and where pregnancy meant getting a pink slip Through first person accounts and vivid narrative *Because of Sex* tells the story of how one law our highest court and a few tenacious women changed the American workplace forever

*The H-Spot* Jill Filipovic, 2017-05-02 What do women want The same thing men were promised in the Declaration of Independence happiness or at least the freedom to pursue it For women though pursuing happiness is a complicated endeavor and if you head out into America and talk to women one on one as Jill Filipovic has done you'll see that happiness is indelibly shaped by the constraints of gender the expectations of feminine sacrifice and the myriad ways that womanhood itself differs along lines of race class location and identity In *The H-Spot* Filipovic argues that the main obstacle standing in between women and happiness is a rigged system In this world of unfinished feminism men have long been able to have it all because of free female labor while the bar of achievement for women has only gotten higher Never before have women at every economic level had to work so much whether it's to be an accomplished white collar employee or just make ends meet Never before have the standards of feminine perfection been so

high And never before have the requirements for being a good mother been so extreme If our laws and policies made women s happiness and fulfillment a goal in and of itself Filipovic contends many of our country s most contentious political issues from reproductive rights to equal pay to welfare spending would swiftly be resolved Filipovic argues that it is more important than ever to prioritize women s happiness and that doing so will make men s lives better too Here she provides an outline for a feminist movement we all need and a blueprint for how policy laws and society can deliver on the promise of the pursuit of happiness for all
