Under The Lone Star Flagstick:

Under the Lone Star Flagstick Melanie Hauser, 1997 Melanie Hauser pulls together the best most memorable and most outrageous stories ever written about Texas golf and Texas golfers Where else but Texas could Titanic Thompson a hustler so thorough that he'd dig up road signs to set up a bet do the impossible whenever cash was on the line Where else could golf's angriest man 1940s touring pro Lefty Stackhouse get so angry at hooking his drive that he'd walk over to a thorny rose bush and begin whipping his right hand back and forth through it drawing blood Where else could Austin County Club legend Harvey Penick spin his wonderful tales about golf and life Filled with profiles commentaries tournament reports and the outrageous antics of some of golf's greatest hustlers and conmen *Under the Lone Star Flagstick* is a must read for anyone who relishes a good Texas tale or the best golf has to offer **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved *Links to the Past* Dan K. Utley, Stanley O. Graves, 2018-08-30 As they tee up make their approach shots or line up their putts few Texan golfers likely realize that the familiar landscapes of tee boxes fairways and greens can obscure stories from the past that played out on those same grounds Such little known links to the past include prehistoric campsites a Spanish presidio and a prairie where the Rough Riders trained as well as courses constructed by New Deal agencies in the Great Depression or military personnel in times of war *Links to the Past The Hidden History on Texas Golf Courses* takes readers on a tour of eighteen Texas golf courses with surprising connections to history On the front nine points of interest include encounters with dinosaur fossils near Austin a Comanche raid on a Spanish frontier presidio near Menard and a battle between Anglo buffalo hunters and Native Americans near Lubbock The back nine explores reminders of the East Texas lumber industry near Diboll a training ground for the Rough Riders outside downtown San Antonio and a race riot near Houston in 1917 to name a few In addition Dan K Utley with Stanley O Graves provide full histories of the courses themselves detailing their design and evolution and explaining how they came to be constructed at these historically significant sites Fun compelling and enlightening this book is a reminder that history has occurred all around us not just in historic districts state parks or even where official state markers might be found Featuring scorecards for each course that include location historical facts and a signature hole of history as well as historical and contemporary photographs and informative sidebars *Links to the Past* is sure to entertain Golfers history buffs and heritage tourists will want to toss this handy and engaging book in the front seat of the car or zip it into the side pocket of their golf bags
