Under The Sky Of My Africa Alexander Pushkin And Blackness Srlt:

A History of Russian Literature Andrew Kahn, Mark Lipovetsky, Irina Reyfman, Stephanie Sandler, 2018-04-13 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and personal Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular brings out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation *Written for the Drawer* Brett Winestock, 2024 Russian Jewish writer Leonid Tsypkin 1926-82 a doctor by trade wrote primarily for the drawer fearing professional consequences if he were to publish his fiction Despite Tsypkin s almost complete lack of readership during his lifetime his work has received international posthumous recognition with Susan Sontag calling his work among the most beautiful exalting and original achievements of a century s worth of fiction Tsypkin s autobiographical writing explored the impossibility of being both a Russian writer and a Soviet Jew employing indirection and referentiality In the first book length appraisal of Tsypkin and his work Brett Winestock considers Tsypkin s fiction as part of a transnational literary response to the horrors of the twentieth century a reception that helps explain his much belated international readership Through close readings of Tsypkin s work in the context of late Soviet cultural worlds Winestock makes an important contribution to studies of Jewish Soviet writing and identity

Under the Sky of My Africa Catharine Theimer Nepomnyashchy, Nicole Svobodny, Ludmilla A. Trigos, 2006-05-30 A wide ranging consideration of the nature and significance of Pushkin s African heritage Roughly in the year 1705 a young African boy acquired from the seraglio of the Turkish sultan was transported to Russia as a gift to Peter

the Great This child later known as Abram Petrovich Gannibal was to become Peter's godson and to live to a ripe old age having attained the rank of general and the status of Russian nobility More important he was to become the great grandfather of Russia's greatest national poet Alexander Pushkin It is the contention of the editors of this book borne out by the essays in the collection that Pushkin's African ancestry has played the role of a wild card of sorts as a formative element in Russian cultural mythology and that the ways in which Gannibal's legacy has been included in or excluded from Pushkin's biography over the last two hundred years can serve as a shifting marker of Russia's self definition The first single volume in English on this rich topic *Under the Sky of My Africa* addresses the wide variety of interests implicated in the question of Pushkin's blackness race studies politics American studies music mythopoetic criticism mainstream Pushkin studies In essays that are by turns biographical iconographical cultural and sociological in focus the authors representing a broad range of disciplines and perspectives take us from the complex attitudes toward race in Russia during Pushkin's era to the surge of racism in late Soviet and post Soviet contemporary Russia In sum *Under the Sky of My Africa* provides a wealth of basic material on the subject as well as a series of provocative readings and interpretations that will influence future considerations of Pushkin and race in Russian culture

Reading Darwin in Imperial Russia Brendan G. Mooney, Stephen M. Woodburn, Andrew M. Drozd, 2023-01-30 A 2023 Choice Reviews Outstanding Academic Title *Reading Darwin in Imperial Russia* Literature and Ideas expands upon the cataloging efforts of earlier scholarship on Darwin's reception in Russia to analyze the rich cultural context and vital historical background of writings inspired by the arrival of Darwin's ideas in Russia Starting with the first Russian translation of *The Origin of Species* in 1864 educated Russians eagerly read Darwin's works and reacted in a variety of ways From enthusiasm to skepticism to hostility these reactions manifested in a variety of published works starting with the translations themselves as well as critical reviews opinion journalism literary fiction and polemical prose The reception of Darwin spanned reverent didactic ironic and sarcastic modes of interpretation This book examines some of the best known authors of the second half of the nineteenth century Dostoevsky Chernyshevsky Chekhov and others less well known or nearly forgotten Danilevsky Timiriazev Markevich Strakhov to explore the multi faceted impact of Darwin's ideas on Russian educated society While elements of Darwin's Russian reception were comparable to other countries each author reveals distinctly Russian concerns tied to the meaning and consequences of the challenge posed by Darwinism The scholars in this volume demonstrate not only what the authors wrote but why they took their unique perspectives

Revolutionary lives of the Red and Black Atlantic since 1917 David Featherstone, Christian Høgsbjerg, Alan Rice, 2022-04-05 *Revolutionary lives of the Red and Black Atlantic* brings to light the life histories of a wide range of radical figures whose political activity in relation to the black liberation struggle was profoundly shaped by the global impact and legacy of the Russian Revolution of October 1917 The volume introduces new perspectives on the intellectual trajectories of well known figures and critical activists including C L R James Paul Robeson Walter Rodney and Grace P Campbell This

biographical approach brings a vivid and distinctive lens to bear on how racialised social and political worlds were negotiated and experienced by these revolutionary figures and on historic black radical engagements with left political movements in the wake of the Russian Revolution *Pushkin's Monument and Allusion* Sidney Eric Dement,2019-09-02 Pushkin s

Monument and Allusion is the first aesthetic analysis of Russia s most famous monument to its greatest poet Alexander Pushkin **The European Byron** Jonathan Gross,2025-09-16 Byron concealed himself in various literary disguises a process he called mobility In this study of influences on Byron s verse and Byron s European impact I explore these borrowings and transformations as they manifested themselves in his reading At issue is the very concept of romantic poetic voice Framing himself in the tradition of the Irish yet cosmopolitan Thomas Moore Byron adopted continental guises imitating both Italian writers and political heroes such as Dante Machiavelli and Tasso In establishing an Italian identity Byron relied upon the Italian writers he translated Pulci Dante Thomas Moore s Fudge Family in Paris and Shelley s Julian and Maddalo as well as Goethe s Faust This Europeanization of Byron should not conceal the fact that Byron adopted poses from his predecessors such as Walter Scott in order to fashion himself as a Scottish poet who also happened to be English Byron became the writers he read Moore Shelley Wordsworth Scott Foscolo Lady Morgan and Madame de Sta l Those who imitated Byron particularly Alexander Pushkin and Adam Mickiewicz became the best interpreters of his literary example while transforming it and explained what it meant to be a Harold in Muscovite Cloak or a Polish Byron to be both delimited and emancipated by Byron s example *Joyce in the Belly of the Big Truck; Workbook* Joyce A. Cascio,2005-05 [Africa in Russia, Russia in Africa](#) Maxim Matusevich,2007 This book presents an interdisciplinary look at the complex nature of historical political and cultural ties between Africa and Russia A diverse group of accomplished historians sociologists political scientists and journalists have contributed essays that reveal and explain a variety of invisible links tying together the seemingly incongruent cultural and historical traditions of Africa and Russia From African presence in early imperial Russia to the Soviet adventures in colonial and post colonial Africa to the role and predicament of African Russians in the post Soviet society this volume stakes out a vast emerging field for further scholarly research and interpretation

[NewsNet](#) American Association for the Advancement of Slavic Studies,2007 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Great Black Russian** John Oliver Killens,1989 Alexander Pushkin was born into nineteenth century czarist Russia at a time when the state and the church were supreme The aristocracy was enamored of French culture and peasants were little more than slaves The literati generally regarded the Russian language as ill fit for creative expression until Pushkin proved otherwise His writing challenged the authority of the czar while his own wanton values gave rise to troubling guilt Yet in his short and tumultuous lifetime Pushkin rose to great prominence as Russia s most important poet and literary figure In Great Black Russian John Oliver Killens renders a sweeping fictional account of Alexander Pushkin drawing on the conflicts both internal and external that continually assailed him Of particular significance is Pushkin s

African heritage on his mother's side His great grandfather Ibrahim Hannibal was an Ethiopian prince captured as a youth by Turks Acquired not long after by the czar as an adornment for his court the young man became known as the Negro of Peter the Great and was eventually named a general in the czar's army Under the ancestral tutelage of his beloved maternal grandmother Pushkin took pride in his African lineage Yet he was ever conscious that it relegated him to the margins of society Moreover Pushkin suffered genuine emotional abuse at the hand of his mother for being the darkest most Africanoid of her four children Part Russian part African a poet and a womanizer the Alexander Pushkin of Killen's Great Black Russian romances change revolution and danger and yet in his interior turmoil withdraws into the realm of dreams and fantasy

Peter the Great's African Alexander Pushkin, 2022-04-12 Newly translated unfinished works about power class conflict and artistic inspiration by Russia's greatest poet Alexander Pushkin Russia's foundational writer was constantly experimenting with new genres and this fresh selection ushers readers into his creative laboratory Politics and history weighed heavily on Pushkin's imagination and in Peter the Great's African he depicts the Tsar through the eyes of one of his closest confidantes Ibrahim a former slave modeled on Pushkin's maternal great grandfather At once outsider and insider Ibrahim offers a sympathetic yet questioning view of Peter's attempt to integrate his vast archaic empire into Europe In the witty History of the Village of Goriukhino Pushkin employs parody and self-parody to explore problems of writing history while Dubrovsky is both a gripping adventure story and a vivid picture of provincial Russia in the late eighteenth century with its class conflicts ready to boil over in violence The Egyptian Nights an effervescent mixture of prose and poetry reflects on the nature of artistic inspiration and the problem of the poet's place in a rapidly changing and ever more commercialized society
