Fat White Vampire Blues Andrew Fox, 2003-07-01 He's undead overweight and can't get a date Vampire nosferatu creature of the night whatever you call him Jules Duchon has lived so to speak in New Orleans far longer than there have been drunk coeds on Bourbon Street Weighing in at a whopping four hundred and fifty pounds swelled up on the sweet rich blood of people who consume the fattiest diet in the world Jules is thankful he can't see his reflection in a mirror When he turns into a bat he can't get his big ol' butt off the ground What's worse after more than a century of being undead he's watched his neighborhood truly go to hell and now a new vampire is looking to drive him out altogether See Jules had always been an equal opportunity kind of vampire And while he would admit that the blood of a black woman is sweeter than the blood of a white man Jules never drank more than his fair share of either Enter Malice X Young cocky and black Malice warns Jules that his days of feasting on sisters and brothers are over He tells Jules he'd better confine himself to white victims or else face the consequences And then just to prove he isn't kidding Malice burns Jules's house to the ground With the help of Maureen the morbidly obese stripper vampire who made him and Doodlebug an undead cross dresser who literally flies in from the coast Jules must find a way to contend with the hurdles that life throws at him without getting a stake through the heart It's enough to give a man the blues
