The Oracles of God... Or the Words of Men? Curtis Pillsbury, 2010-11 Why don't people believe the Bible like they used to Do Christians themselves truly believe the Bible Is the Word part true part superstition Is it fair to claim that the Bible is superior to other sacred writings Curtis Pillsbury has encountered these controversial questions and more and has set out to answer them using biblical proof and personal experiences If you have ever questioned Christianity fear not Curtis himself has battled similar doubts and has spent over twenty years disproving the myths You will never again wonder is the Bible The Oracles of God or the Words of Men In a day in which postmodernism and humanism seek to dissolve absolute truth Curtis Pillsbury has given us a tool to create a Christian worldview The Oracles of God or the Words of Men is a tool to combat New Age mumbo jumbo and establish God's Word as an anchor for transformation and productivity Curtis's work will help you wade through the minutia of philosophies combating real truth Read this book as a key to your freedom Ron McIntosh President of Ron McIntosh Ministries Executive Director of Victory Bible Institute The Oracles of God or the Words of Men will help secure for you a strong foundation in the Word of God and will strengthen your faith in the fact that God's Word is your final authority With this revelation you can stand in the midst of any trial or temptation This book will keep you in love with Jesus and his Word Terry Nance author of God's Armorbearers **As We Await the Blessed Hope** Mark Kyriakos, 2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times

bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries

Creator Peter J. Leithart,2023-12-05 Discussion about God s work of creation are often overwhelmed by questions such as the age of the earth and the relationship between divine creation and evolution Without completely ignoring these issues this rigorously grounded theological interpretation of Genesis 1 engages thinkers like Plato Martin Luther and Karl Barth
