Understanding Your Rights Your Rights And Responsibilities In The Catholic Church:

Understanding Your Rights Russell B. Shaw,1994 **The Clergy Sexual Abuse Crisis** Paul R. Docecki,2004-02-27

The story of sexual abuse of children by Catholic priests has sent shock waves around the nation and will not fade from consciousness or the news We ask How could this happen And then we ask How could the Catholic Church let this continue for so long in seeming silence and duplicity Paul R Docecki a community psychologist at Vanderbilt University an active Catholic and a former board member of the National Catholic Education Association investigates the crisis not only with the eye of an investigative reporter but with the analytical skills and training of a psychologist as well Moreover he lays the foundation for reasonable and practical reform measures Through the scandal in the Archdiocese of Boston as well as the earlier if less well known but momentous case in the Diocese of Nashville Docecki reports on and analyzes what is ultimately an abuse of power not only by the clergy but by church officials As distasteful as these instances may be they are compelling reading enlightened by the author s abilities to contextualize these events through the lenses of professional ethics the human sciences and ecclesiology According to Docecki these and other instances of clergy sexual abuse reveal a systemic deficiency in the structure and the nature of the church itself one that has prevented the church from adequately dealing with its own worst sins Docecki may shine a spotlight into the church s dark corners but he does so in the service of enlightenment calling the church back toward the vision of Vatican II and the spirit of Pope John XXIII toward a greater transparency a more open and participatory governance in the church and for a greatly expanded role for the people of God who make up the church It is in this way Docecki believes the church will be better able to keep the innocent children of the church safe from harm

Wie frei sind katholische Laien in ihrem gesellschaftlichen und politischen Engagement also nach geltendem Kirchenrecht? Die sorgfältige Interpretation der einschlägigen c 227 CIC und c 402 CCEO ermöglicht eine Antwort auf diese Frage und klärt damit auch ob Katholikinnen rechtlich auch heute noch nur verlorener Arm der kirchlichen Hierarchie oder nicht doch vielmehr eigenständige Teilnehmerinnen an der Heilssendung der Kirche sind.

This is a collection of insightful teachings from over 300 of the Pope's sermons and speeches. Every word in the book including titles and sub headings is directly from the Pope's sermons. John Paul II stands out as a religious leader who has himself been immersed in the daily grind and joys of lay life. He knew the hardships of the factory the exhilaration of sport the intellectual challenge of university life and the daily pressures of unjust government. In his many journeys we saw him at home with church leaders politicians workers and youth. He chose to address the laity of the world on a broad spectrum of topics and it is truly exciting to read his reflections and respond to the challenges he presents.
