her heart to meet and marry Don the love of her life The two learned to turn everything over to the Lord before God called Don home after almost four years leaving Lyndia to lean on her faith even more Now she tells their story If you find yourself doubting the transforming power of God s love or are seeking healing from past losses and hurts you ll discover comfort and hope in Unexpected Blessings Spirituality of Gratitude Joshua Choonmin Kang,2015-06-09 God invites us to enter into a world of thankfulness at every moment in our lives even in the hard times perhaps especially then Come and discover a spirituality of gratitude with pastor and bestselling Korean author Joshua Choonmin Kang in these fifty two short chapters that can be read in weekly sabbath reflection or daily devotional use Thirsty for More Allison Allen,2018-09-04 When it comes to our connection with God we dread dry seasons when we feel far from our life sustaining Creator and redeemer We want to dwell in lush valleys not wander in trackless deserts And yet during the first three centuries of the church many men and women purposefully moved into deserts to seek God They understood something that we have missed a desert is not a place of vast nothingness but a place where we can truly experience God s provision restoration and intimacy Through Scripture and personal stories of her own times of waiting and struggle Allison Allen offers a fresh perspective for women who dare to believe that God is doing something of eternal value in their dry seasons She shows how God can use these times in our lives to reveal himself to us to give us rest to get our attention to show us our strength to experience his blessings and more Any woman who has been feeling spiritually sapped will welcome this refreshing message of hope **Slices of Life** Ellie Lofaro,2002 Here are forty slices of one woman and s life that will fill your heart with hope and encourage you to look for the blessings God has for you everyday Each essay is like a snapshot of Ellie and s life and part of her journey of discovery Every observation holds a lesson on life love and faith Sitting down with this book is like chatting on the phone with a friend who trusts you enough to tell you what she really thinks And what does Ellie think From blond women to bumper stickers bonbons to lice God is precisely where we are so sure He cannot be He is in our midst and in the ordinary events of our lives Come in sit down and see for yourself God wants to show you unexpected blessings in your everyday life Ellie Lofarotouches hearts and funny bones at conferences seminars and women and s retreats throughout the United States With wit and wisdom she explores everyday situations and reveals God and s love and grace She and her husband Frank live in Northern Virginia with their three children Paris Jordan and Capri
