Unfinished Business What The Dead Can Teach Us About Life:

Unfinished Business James Van Praagh, 2009-05-12 Based on over twenty five years of spirit communication and thousands of professional readings world famous medium James Van Praagh shares with readers the personal regrets misgivings remorse and most important the advice of the dead who have chosen him as a medium These spirits have a great deal to say about what they have learned and discovered on the other side and how we the living can benefit from their experiences *Unfinished Business* is filled with shocking and emotional stories of Van Praagh s communication with loved ones who cross over the barrier between the living and the dead to send messages to those whom they have left behind Through these profound true stories Van Praagh guides us on an adventure into the spirit world The lessons for the living that he has learned from these experiences range from the dangers of emotional baggage caused by guilt fear and regret to the importance of karma forgiveness and taking responsibility for our actions Van Praagh shares with us now the wisdom that without him we would only gain after death Van Praagh writes When people shed their physical bodies at death their spiritual selves see life from a whole new perspective It s as if they had Lasik surgery They can finally take off their glasses and see everything more clearly Spirits understand why certain situations had to happen They are able to recognize the value of others even their enemies and what they had to learn from them They also realize how they could have skipped certain mistakes by not letting their egos get in the way After crossing into the light spirits are ever eager to share their newfound knowledge with the living and I am fortunate to be a beneficiary of spirits wisdom and guidance and I am happy to share their insights with you
