United Methodist Worship Call To Worship Freedom:

The Crossroads Brett Heintzman, 2015-01-21 We've lost our way and God is calling us to return to Him Every church walks a path comprised of methods programs worship styles etc The paths our churches travel may have served us well in the past but they are losing their effectiveness with every passing day Christian churches in America are facing the challenge of decline yet many cling to their current paths expecting fresh results of revival and renewal We are deceived and need direction God told Israel through the prophet Jeremiah This is what the LORD says Stand at the crossroads and look ask for the ancient paths ask where the good way is and walk in it and you will find rest for your souls But you said We will not walk in it Jeremiah 6 16 NIV Today churches are standing at a crossroads The Crossroads is a critical point of decision that can mean life and fruitfulness or death and extinction depending on the choices we make today Will we stay on the unfruitful paths or will we seek God for the ancient paths of His choosing Paths of Holy Spirit power and Kingdom purposes At the crossroads the choice must be made The Crossroads points the way to the ancient paths of true Kingdom fruitfulness
