What effect does res ipsa loquitur have in most states? ☒ Res ipsa loquitur creates a permissible inference of negligence, which gives the jury the option of ruling in the plaintiff's favor.

For a negligence claim, which of the following things generally would be taken into account in setting the standard or level of care that a defendant was expected to exercise?

- (a) the fact that the defendant had a serious mental illness
- (b) the fact that the defendant voluntarily consumed large quantity of alcohol and was very intoxicated.
- (c) the fact that the defendant had very poor eyesight
- (d) the fact that the defendant's intelligence was significantly below average ☒ (c) the fact that the defendant had very poor eyesight.

-Poor eyesight is a physical problem that is taken into account when assessing the standard of care

Which of the following is a true statement about the "but for" test?

- (a) the "but for" test looks at whether the plaintiff's injury would have been avoided if the defendant had exercised reasonable care
- (b) the "but for" test looks at whether the defendant would have acted with reasonable care if the defendant had average mental and physical abilities
- (c) the "but for" test looks at whether the plaintiff's injury would have been reasonably foreseeable to a person in the defendant's situation
- (d) the "but for" test looks at whether the defendant would have owed a duty to the plaintiff and defendant ☒ (a) the "but for" test looks at whether the plaintiff's injury would have been avoided if the defendant had exercised reasonable care

-The "but for" test is about whether the plaintiff's injury would have happened but for the defendant's negligence. In other words, it is about whether the injury would have been avoided if the defendant had exercised reasonable care

What did the court decide in the Byrne v. Boadle case? ☒ The court decided that in some instances, the mere fact of the accident having occurred is evidence of negligence.
