Tourism And Entrepreneurship Advances In Tourism Research:

Tourism and Entrepreneurship Jovo Ateljjevic, Stephen J. Page, 2017-12-04 *Tourism and Entrepreneurship International Perspectives* provides an innovative interdisciplinary approach. This book takes as its central theme the role of entrepreneurship in the context of regional, local, and national tourism development. By engaging with top academics in both tourism and entrepreneurship, this book delivers a cohesive interdisciplinary examination of the most recent developments in both tourism and entrepreneurship. Several key themes are explored and articulated through the following concepts and issues: tourism innovation and entrepreneurship; the role and nature of individual and collective entrepreneurship in different contexts; the role of tourism in responding to development opportunities created by global forces; and finally, issues associated with tourism strategies and policies. Divided into four parts, the book reflects on the most relevant areas of tourism entrepreneurship: Understanding the conceptual basis of tourism entrepreneurship; Creative use of entrepreneurship and processes of social innovation; Tourism entrepreneurship mediating the global-local divide; Sectoral strategies and policy issues of tourism entrepreneurship. *Tourism and Entrepreneurship International Perspective* Explains the impact of tourism entrepreneurship on places and overall regional and destination development; Examines the role of the public sector in facilitating the need for sustainable tourism development; Examines the effects and implications of funding schemes and support programmes; Takes the owner, manager, and entrepreneur as the starting point of analysis to explore specific issues; Allows practitioners and policy makers to explore practical applications and best practice of theory through a diverse range of international case studies. Contributed to by an international team of leading scholars in tourism and entrepreneurship, this book is a unique combination of theory, case studies, and discussion highlighting the importance of entrepreneurial tourism activity for economic success. It is essential reading for students and researchers in both tourism and entrepreneurship.

Recent Advancements in Tourism Business, Technology and Social Sciences Vicky Katsoni, George Cassar, 2024-05-28 The book features the first volume of the proceedings of the 10th International Conference of the International Association of Cultural and Digital Tourism (IACuDiT) with the theme *Recent Advancements in Tourism Business Technology and Social Sciences* which was held from August 29 to 31, 2023, in Crete, Greece. It showcases the latest research on Tourism Business Technology and Social Sciences and presents a critical academic discourse on smart and sustainable practices in the tourism industry, stimulating future debates and advancing readers' knowledge and understanding of this critical area of tourism business in the post-COVID-19 era. COVID-19 produced dramatic effects on the global economy, business activities, and people, with tourism being particularly affected. The book discusses the resulting digital transformation process in a range of areas, including its effect on the social sciences combined with special forms of tourism. This accelerated digitalization encourages the emergence of new digital products and services based on the principle of flexibility. The book focuses on the knowledge economy and smart destinations, as well as new modes of tourism management.
